Striving toward goals

Taking one step at a time ... using our talent to help others find theirs ... working out day after day to become part of an excellent football team.

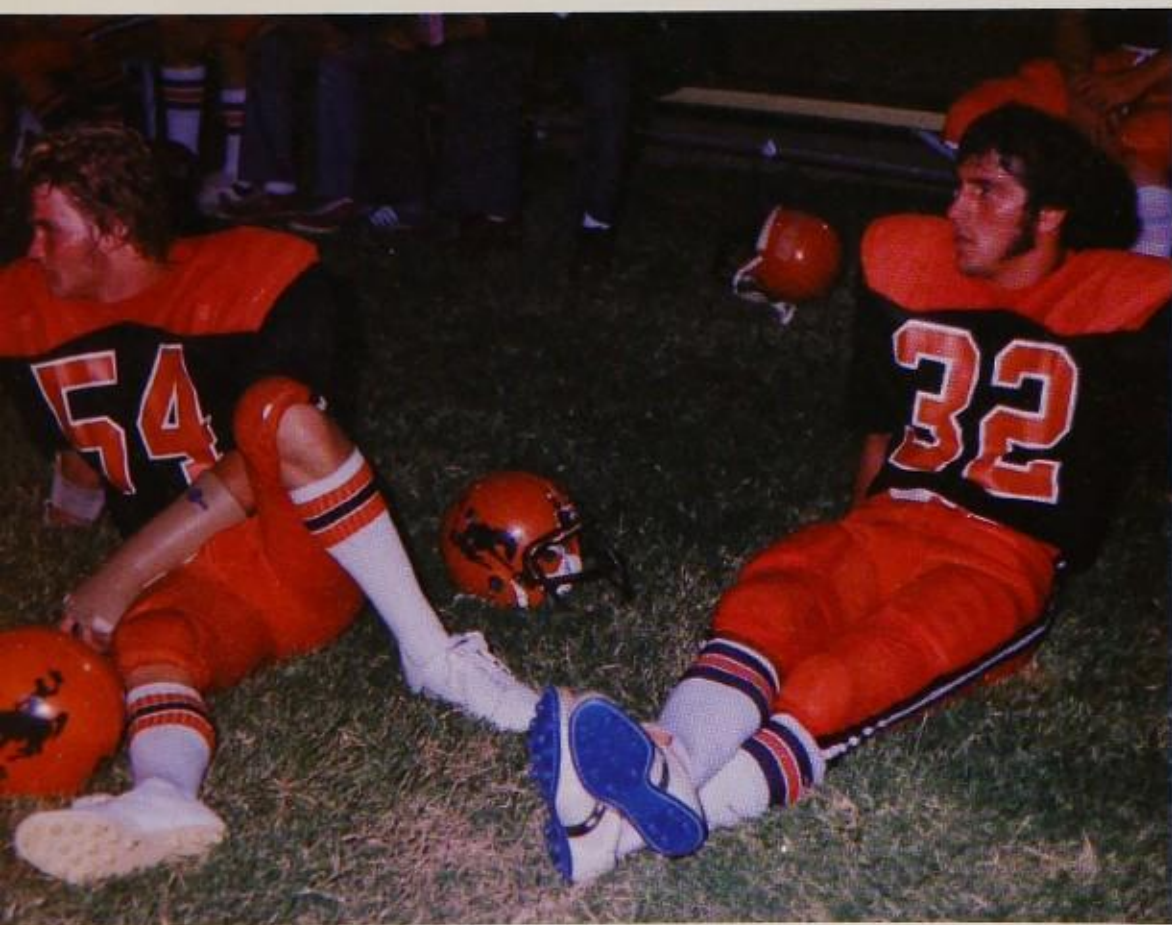

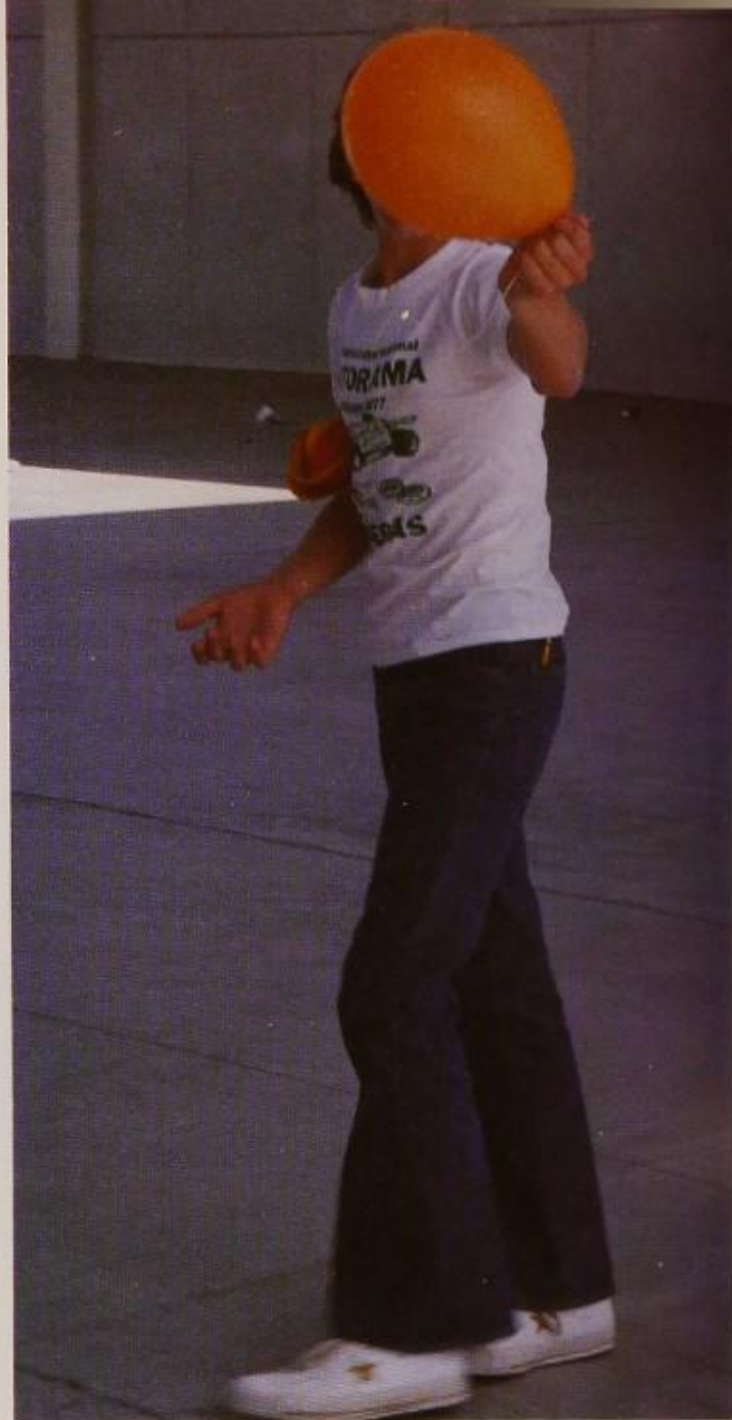

We start out slowly

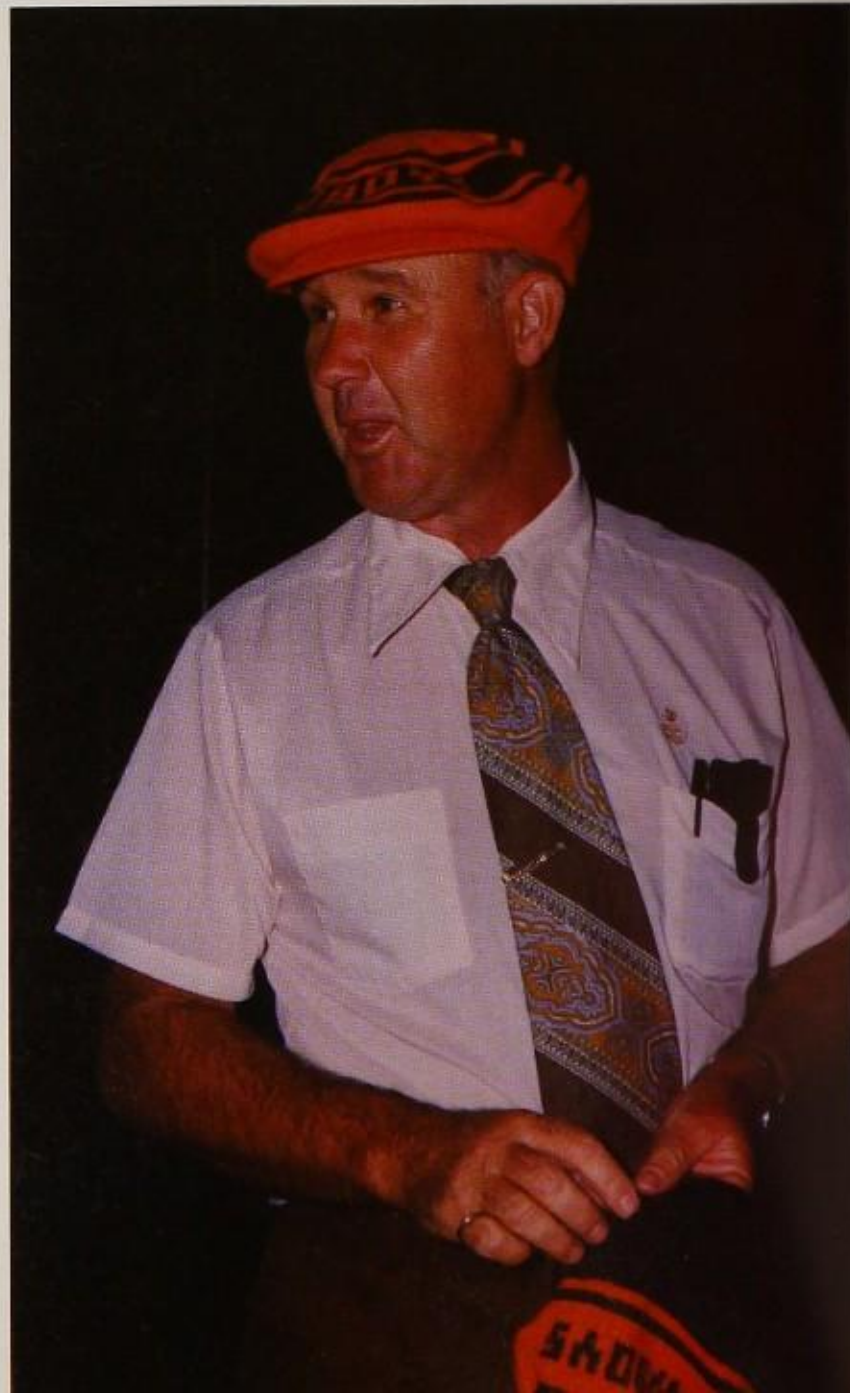

Getting up at 5:00 in the morning to get in condition for the first track meet ... sharpening basketball skills to become number one ... making money washing cars to buy new surrey uniforms.

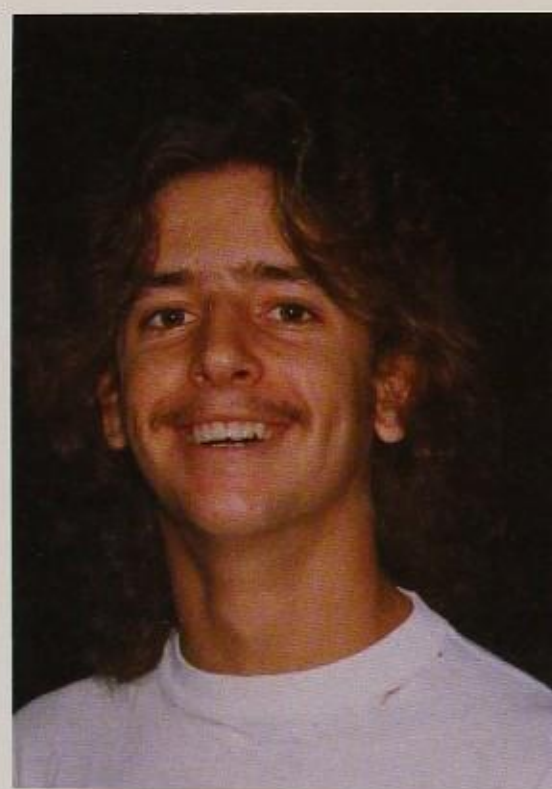

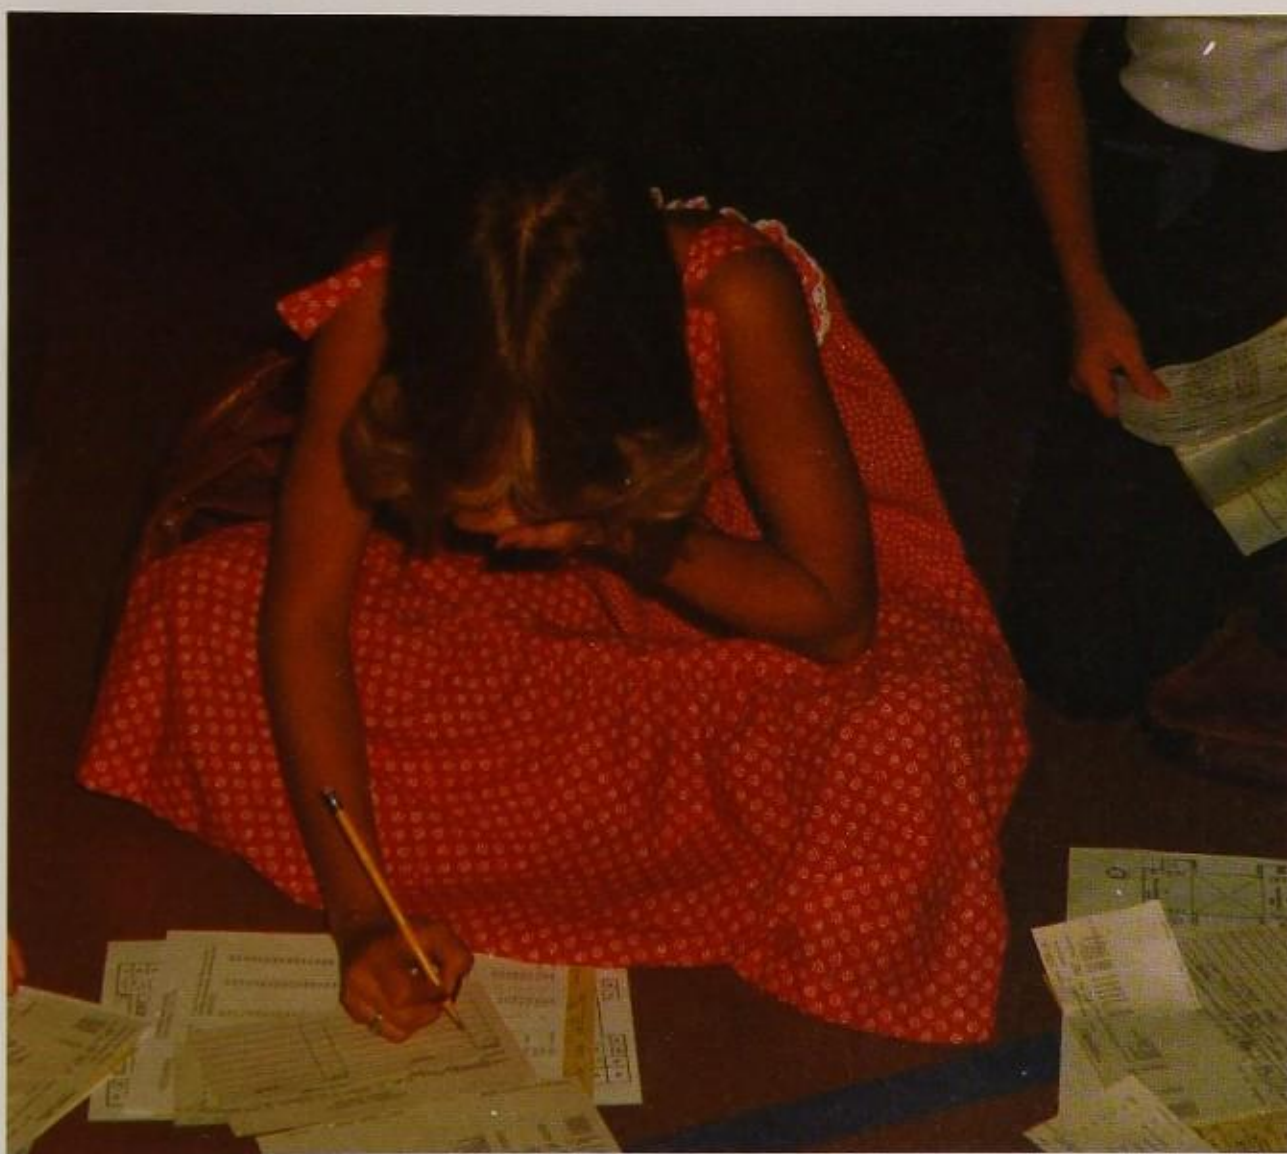

Discovering beginnings

Letting go of the first spirit balloon of the year ... being overshadowed in a new school ... the start of a new football season ... starting out the school year with spirit.

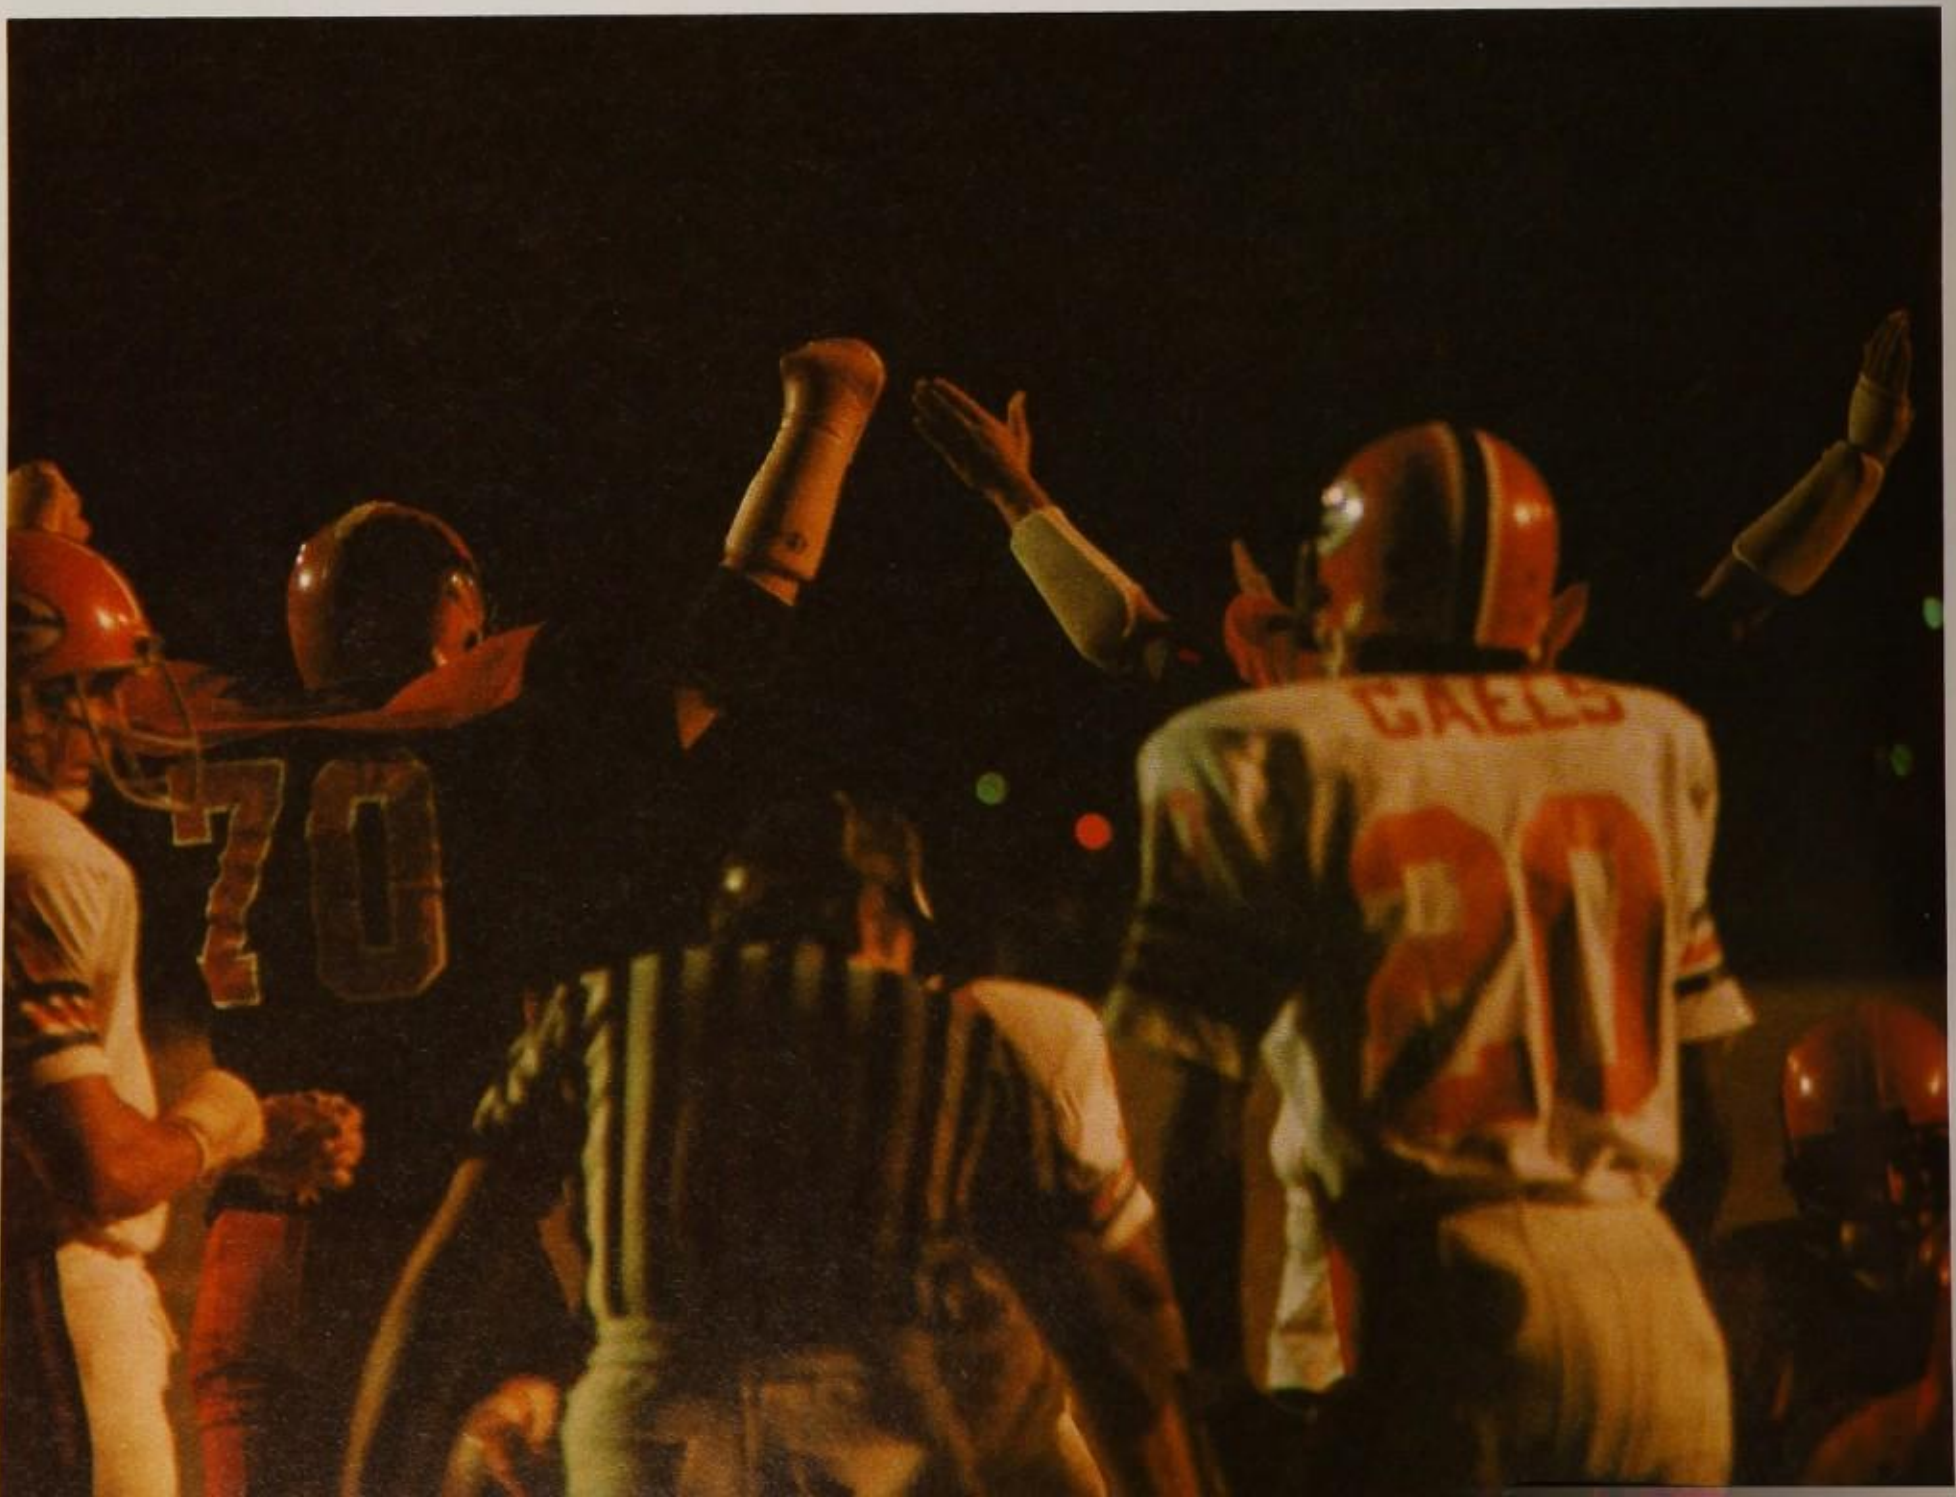

*Beginning
to
see*

*The first performance of the new surrey
singers ... filling out registration packets
... looking forward to being a senior.*

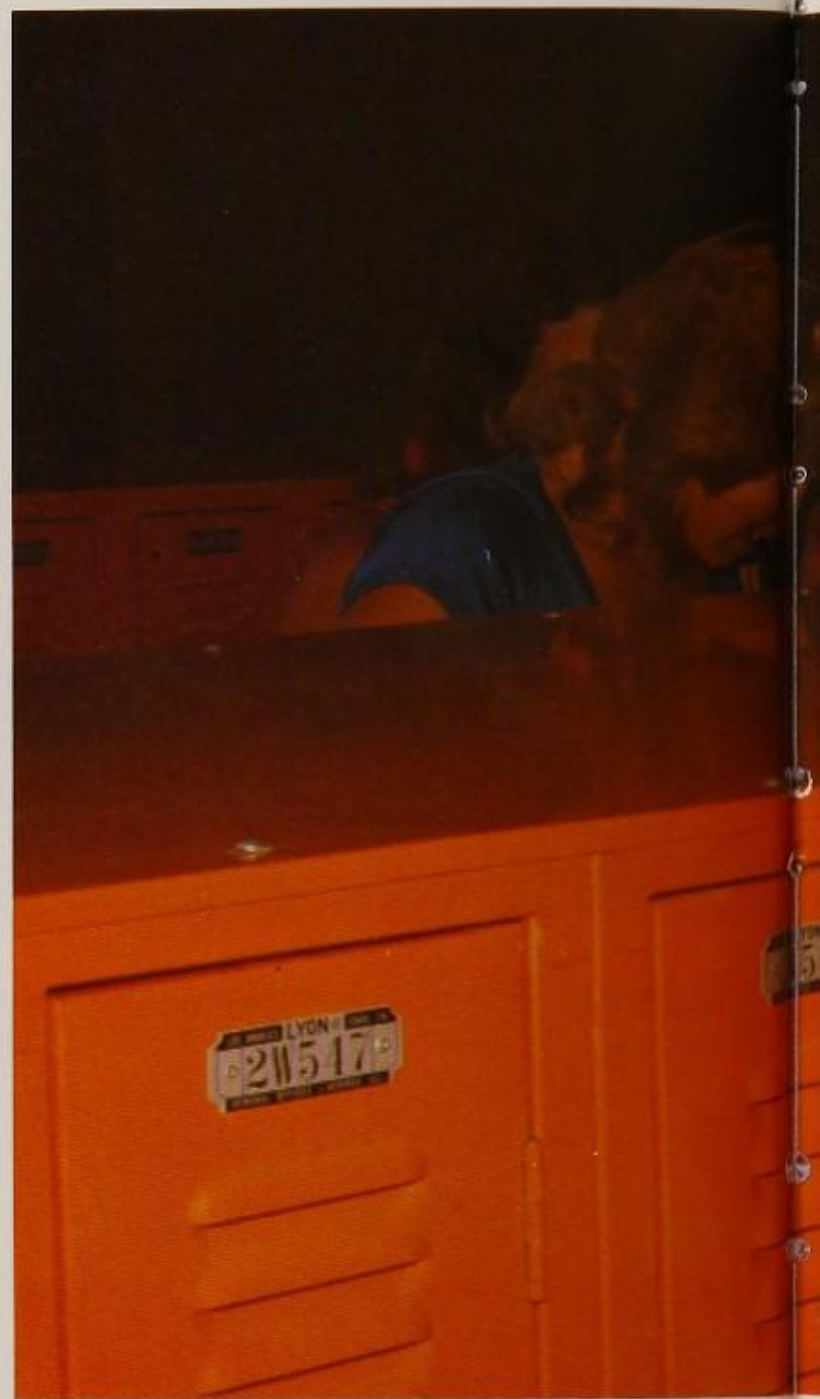

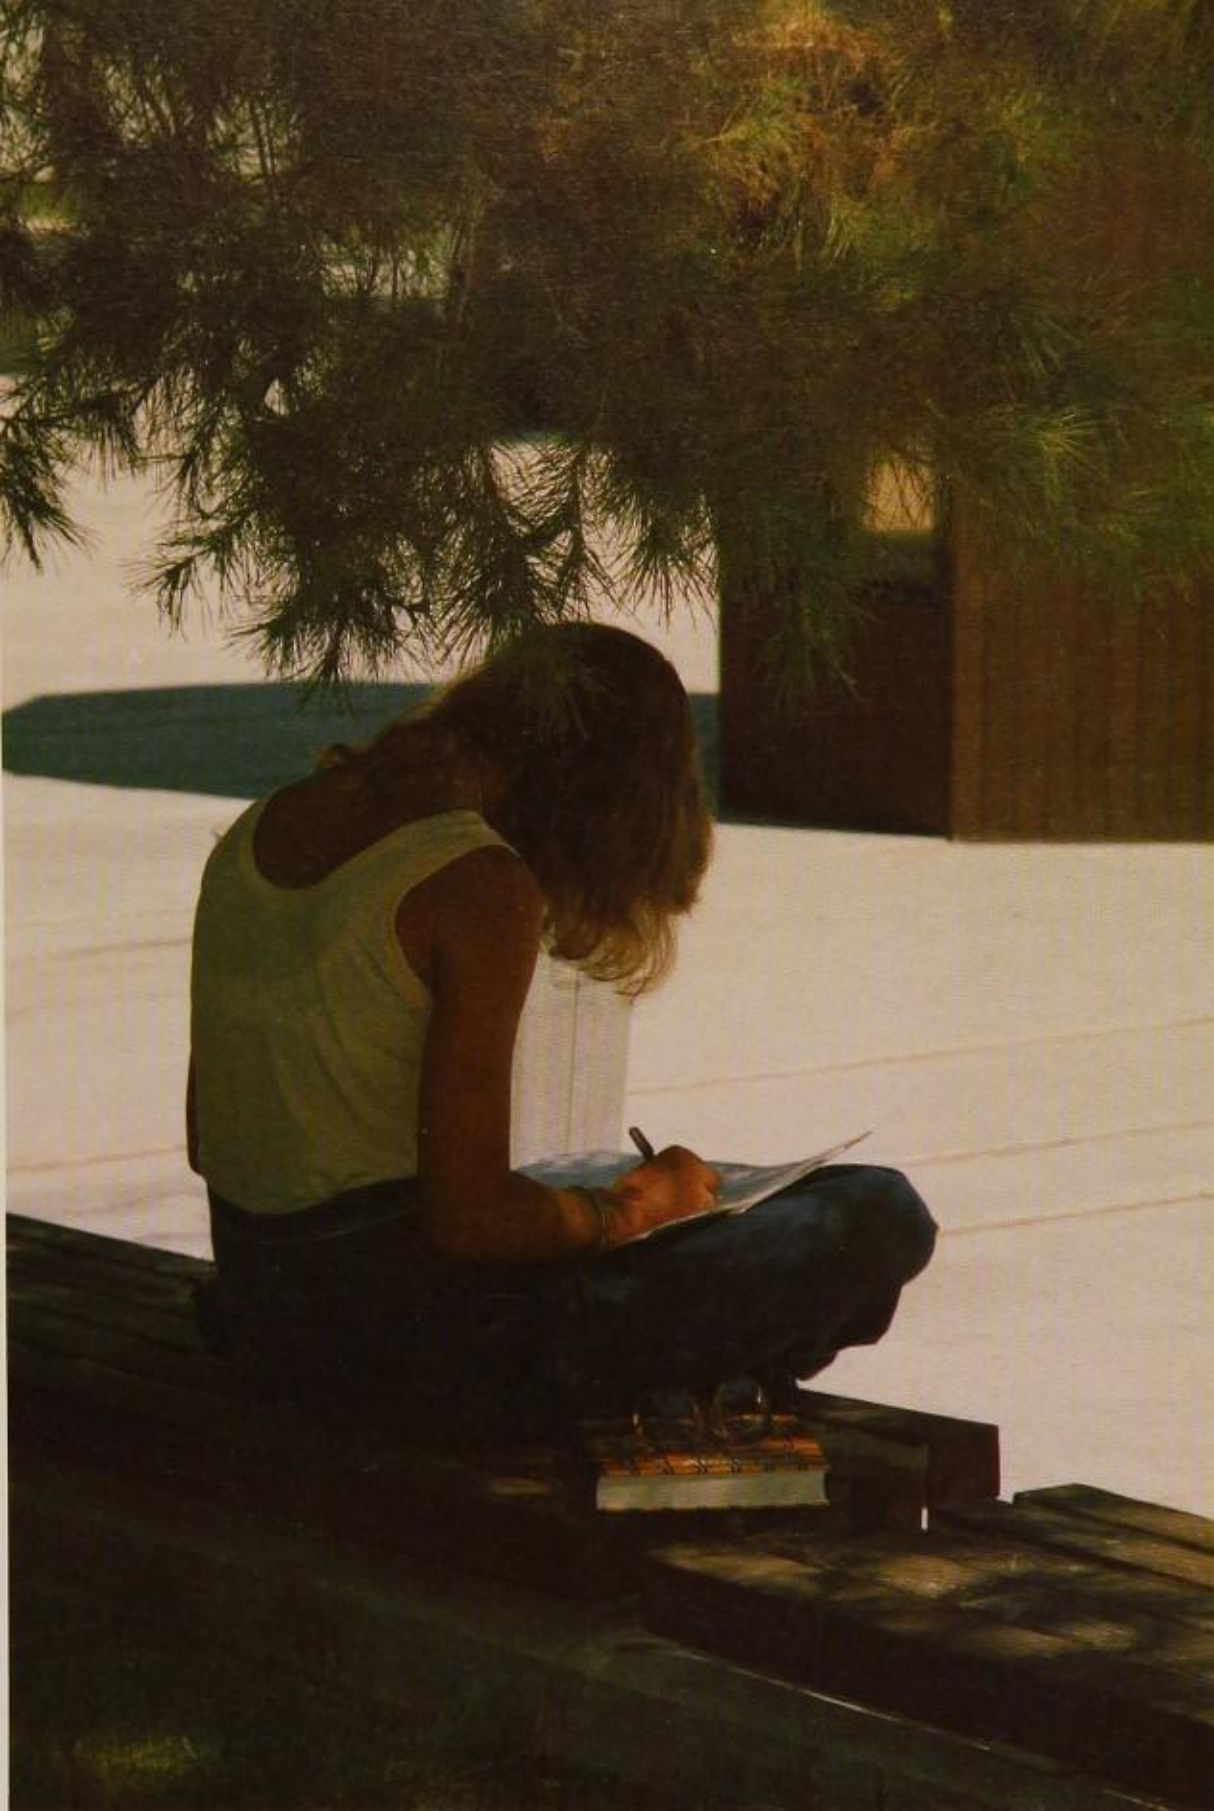

*By discovering together that
we all agree*

Discovering harmony between ourselves . . . winning gloriously through a team effort . . . screaming that we are the Cowboys . . . breaking all obstacles on the road to victory . . . taking pride in our accomplishments . . . the joys of an excellent season.

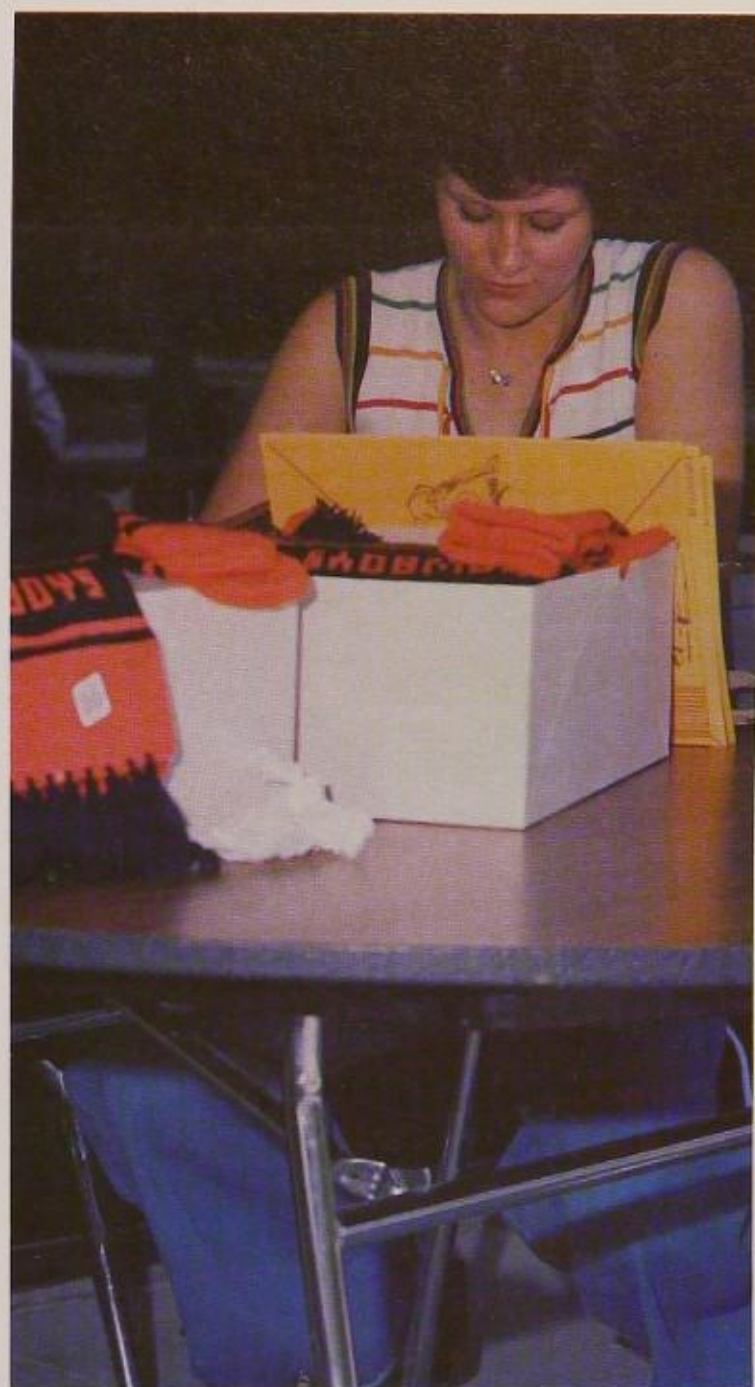

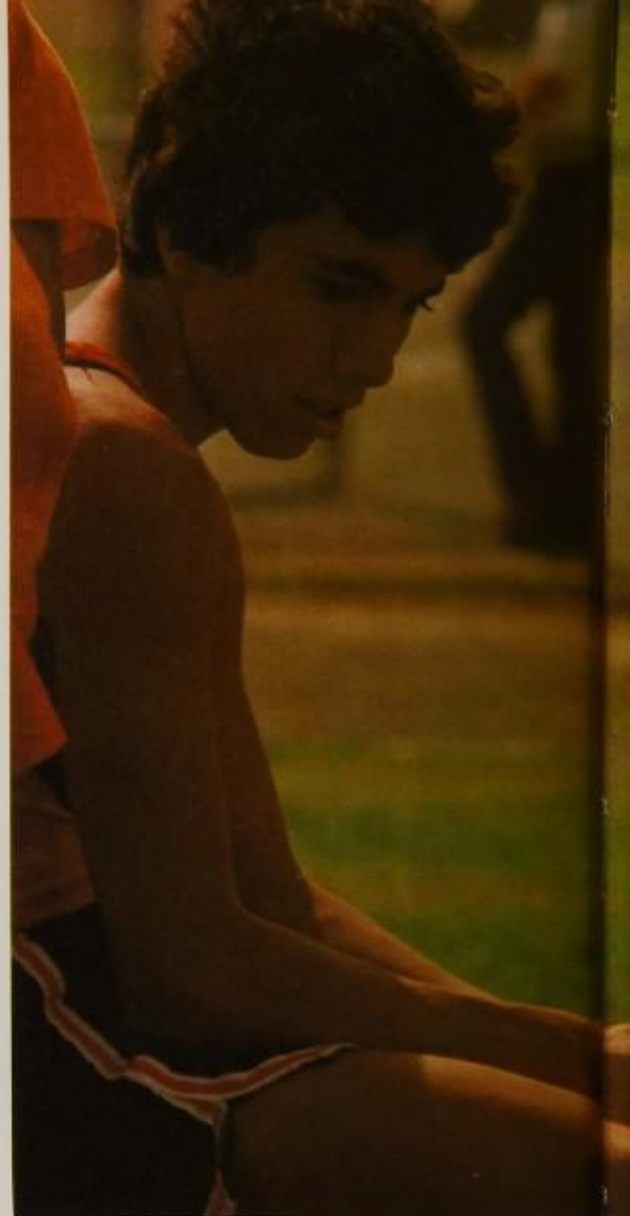

*We are free to
make a discovery*

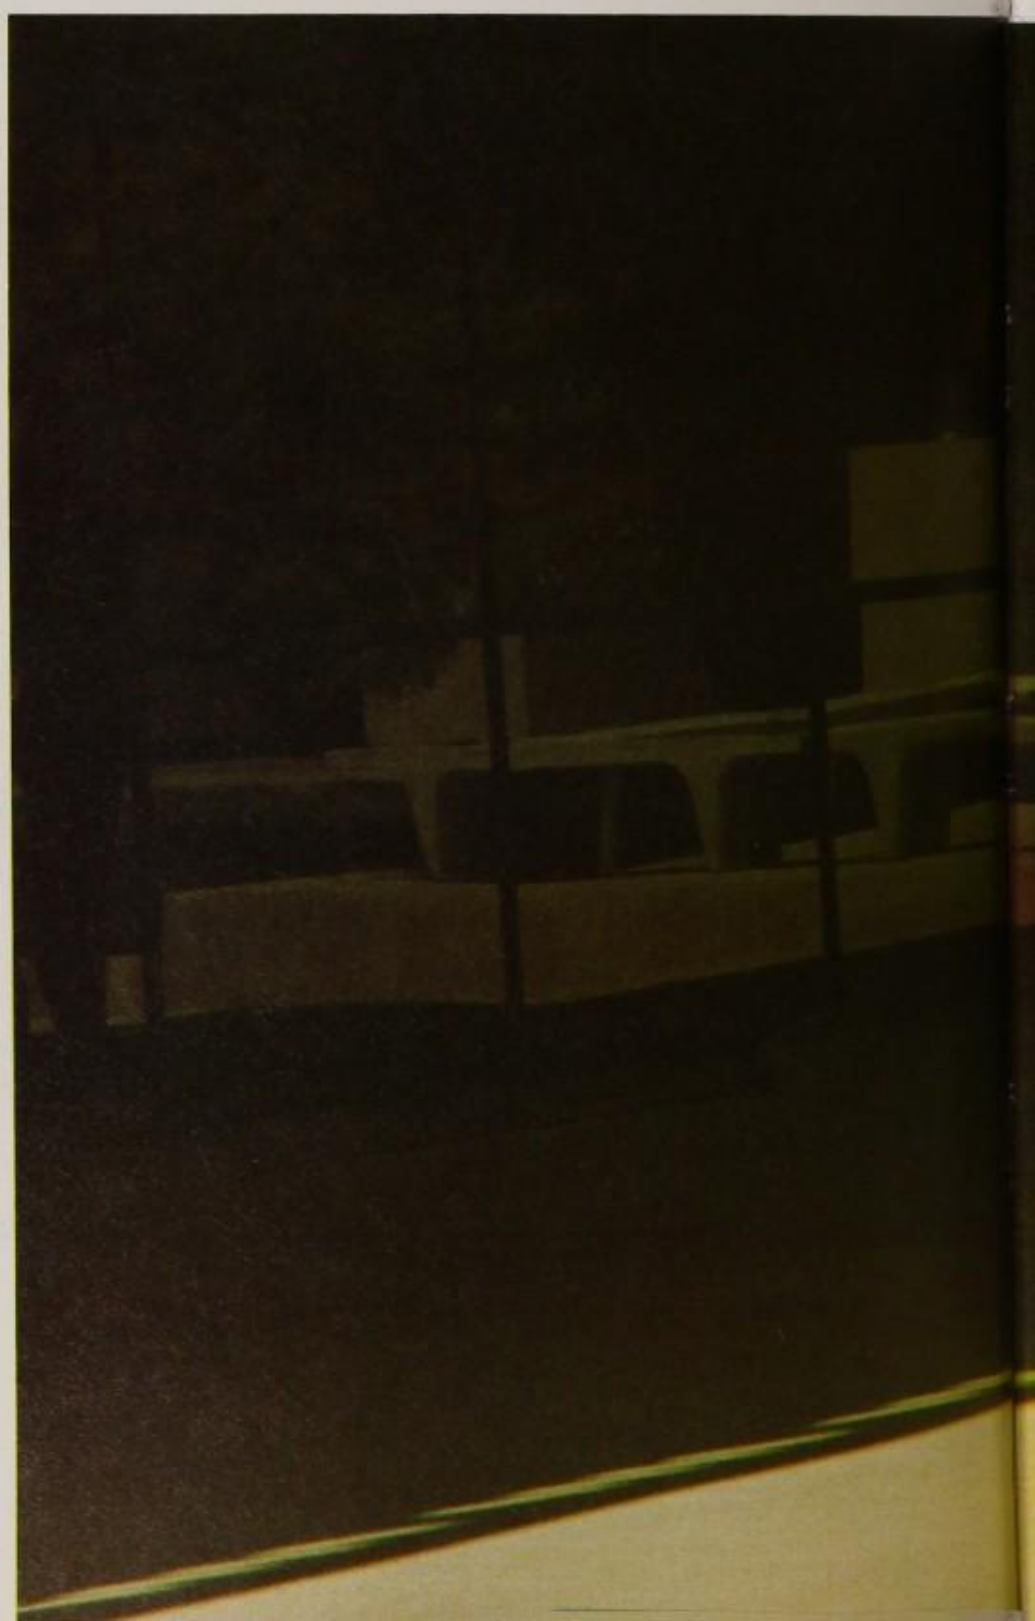

Learning the basics of Algebra II ... turning the right combination on our locker for the first time ... enjoying a peaceful lunch with our friends ... selling spirit for four dollars ... waiting for an answer.

That we're free to be

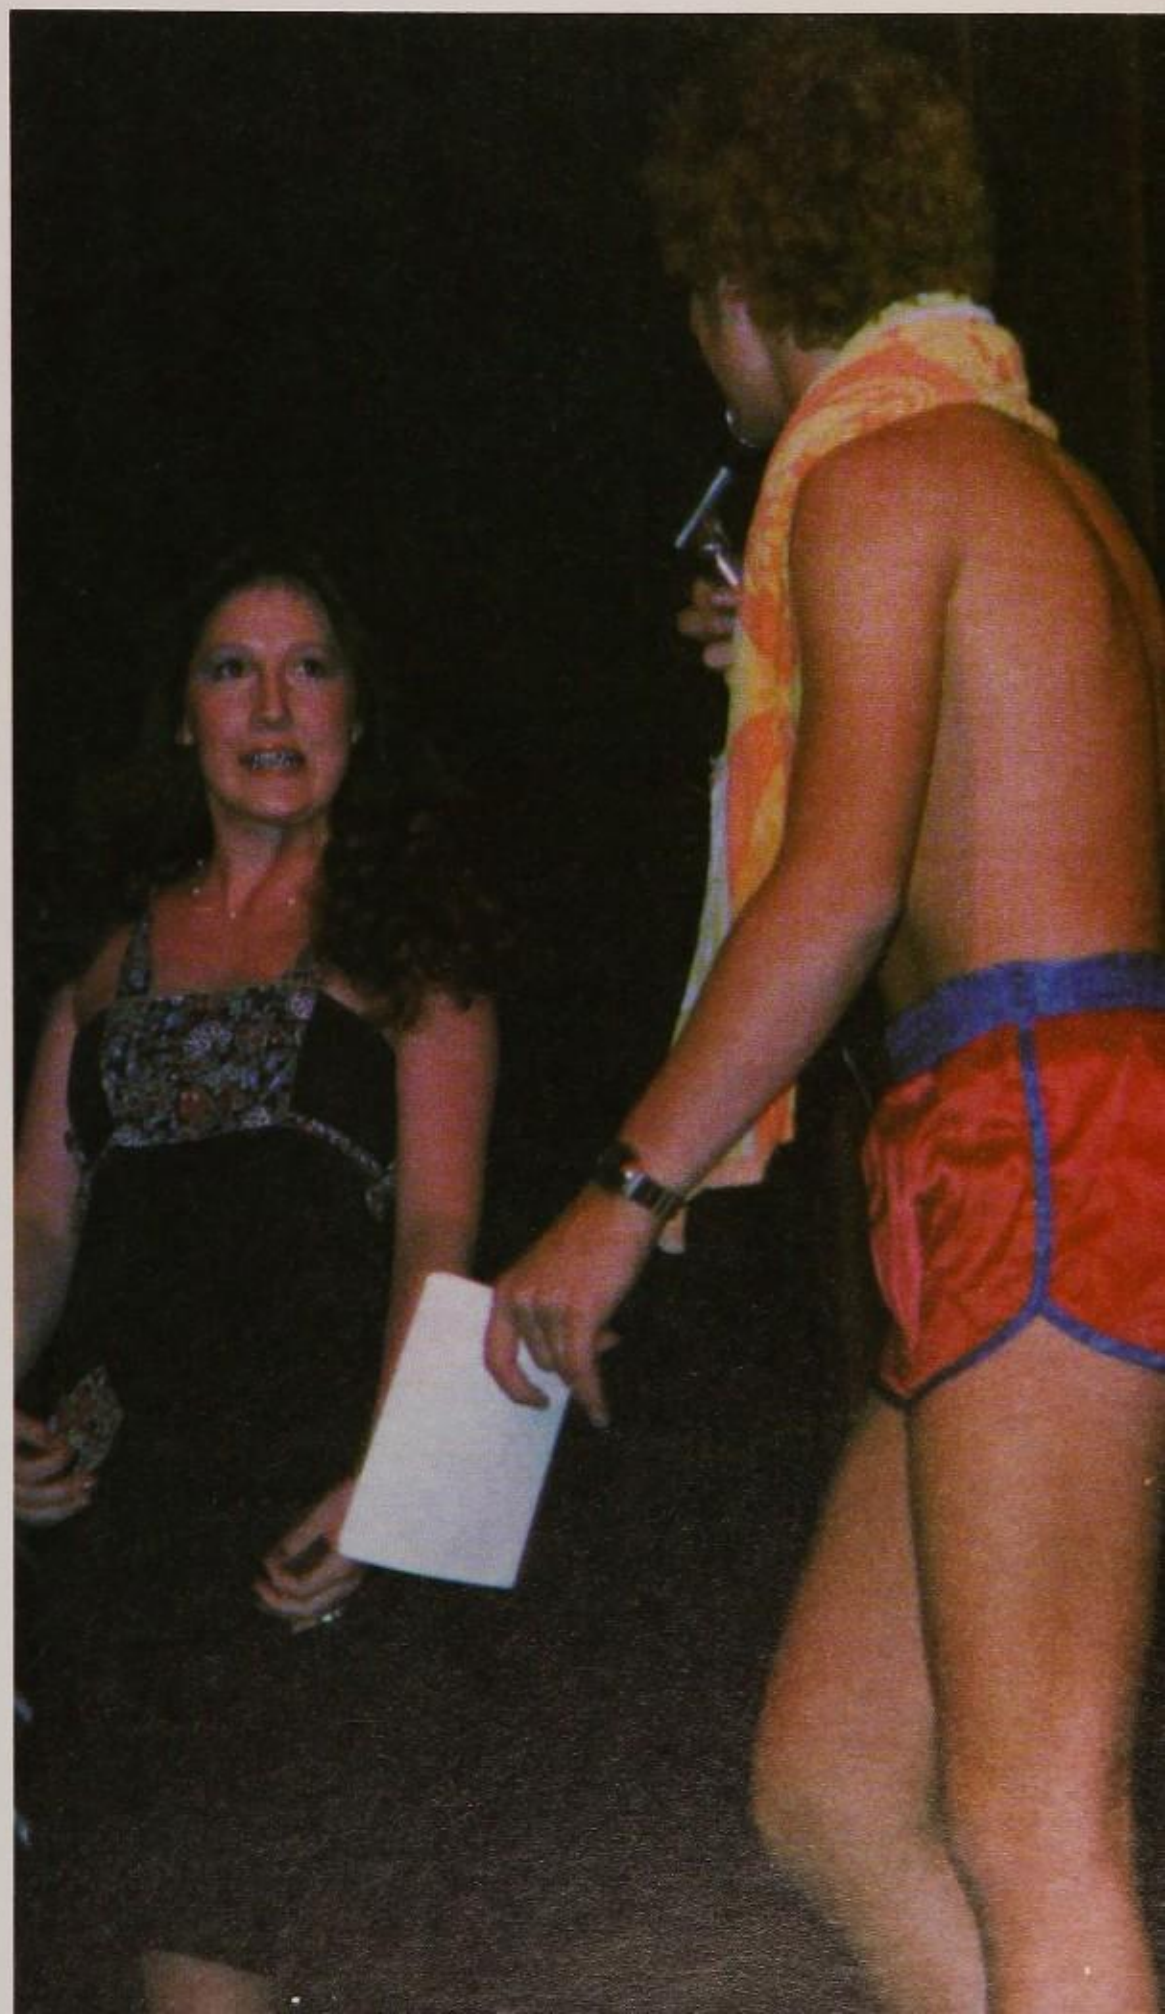

*Being free to show our spirit ... free to
express our feelings ... moving along at a
free and easy pace.*

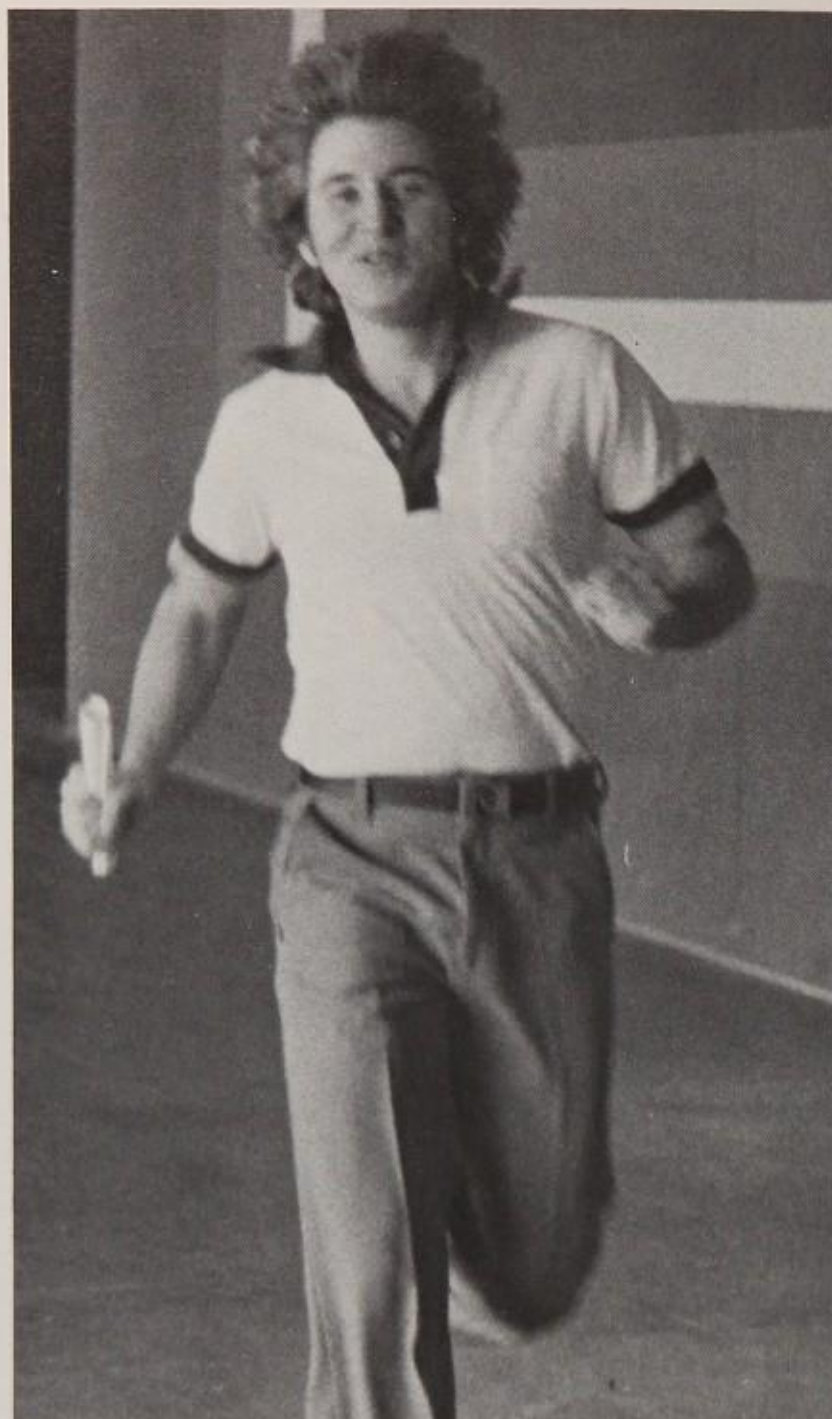

You and me

*Reflecting upon the day's events . . . doing
our own thing . . . discovering ourselves.*

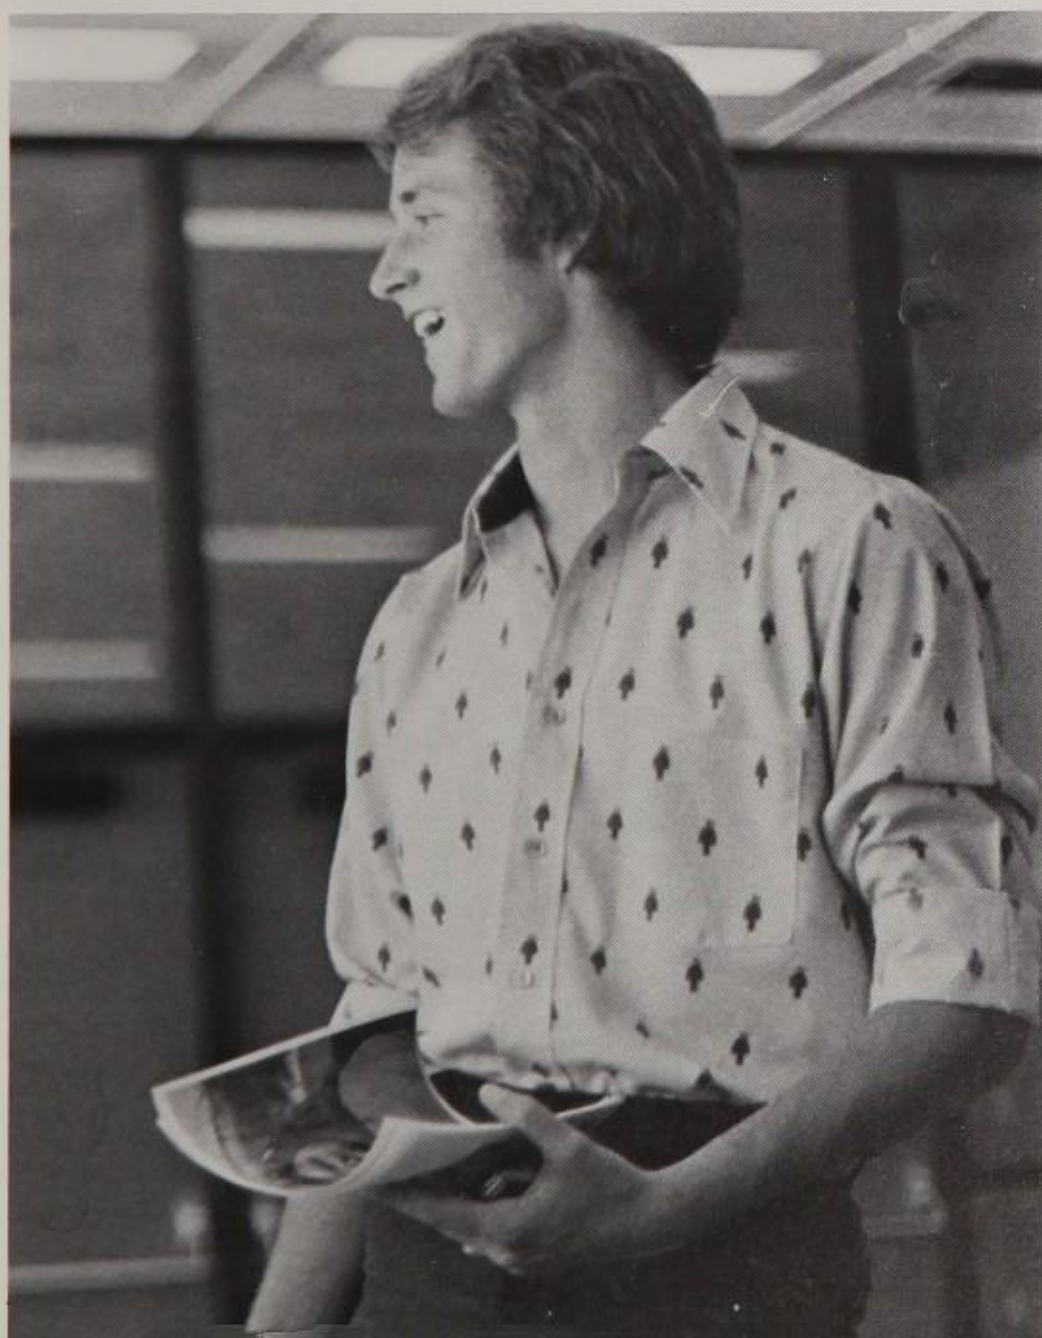

Student Council Fosters Spirit And Pride

The Student Council of 77-78 was very effective in promoting school spirit and pride. By attending conferences and conventions during the summer and during the school year, the council gained valuable knowledge that made the 77-78 school year the best ever. Student council effected every aspect of school life, from education to athletics. They also planned many pep assemblies and lunch time activities.

The main activity of the student council was homecoming. Many hours of work and planning were dedicated to make homecoming a success. The council was also involved in community activities. Twice a year the student council sponsors a blood drive which benefits the whole community.

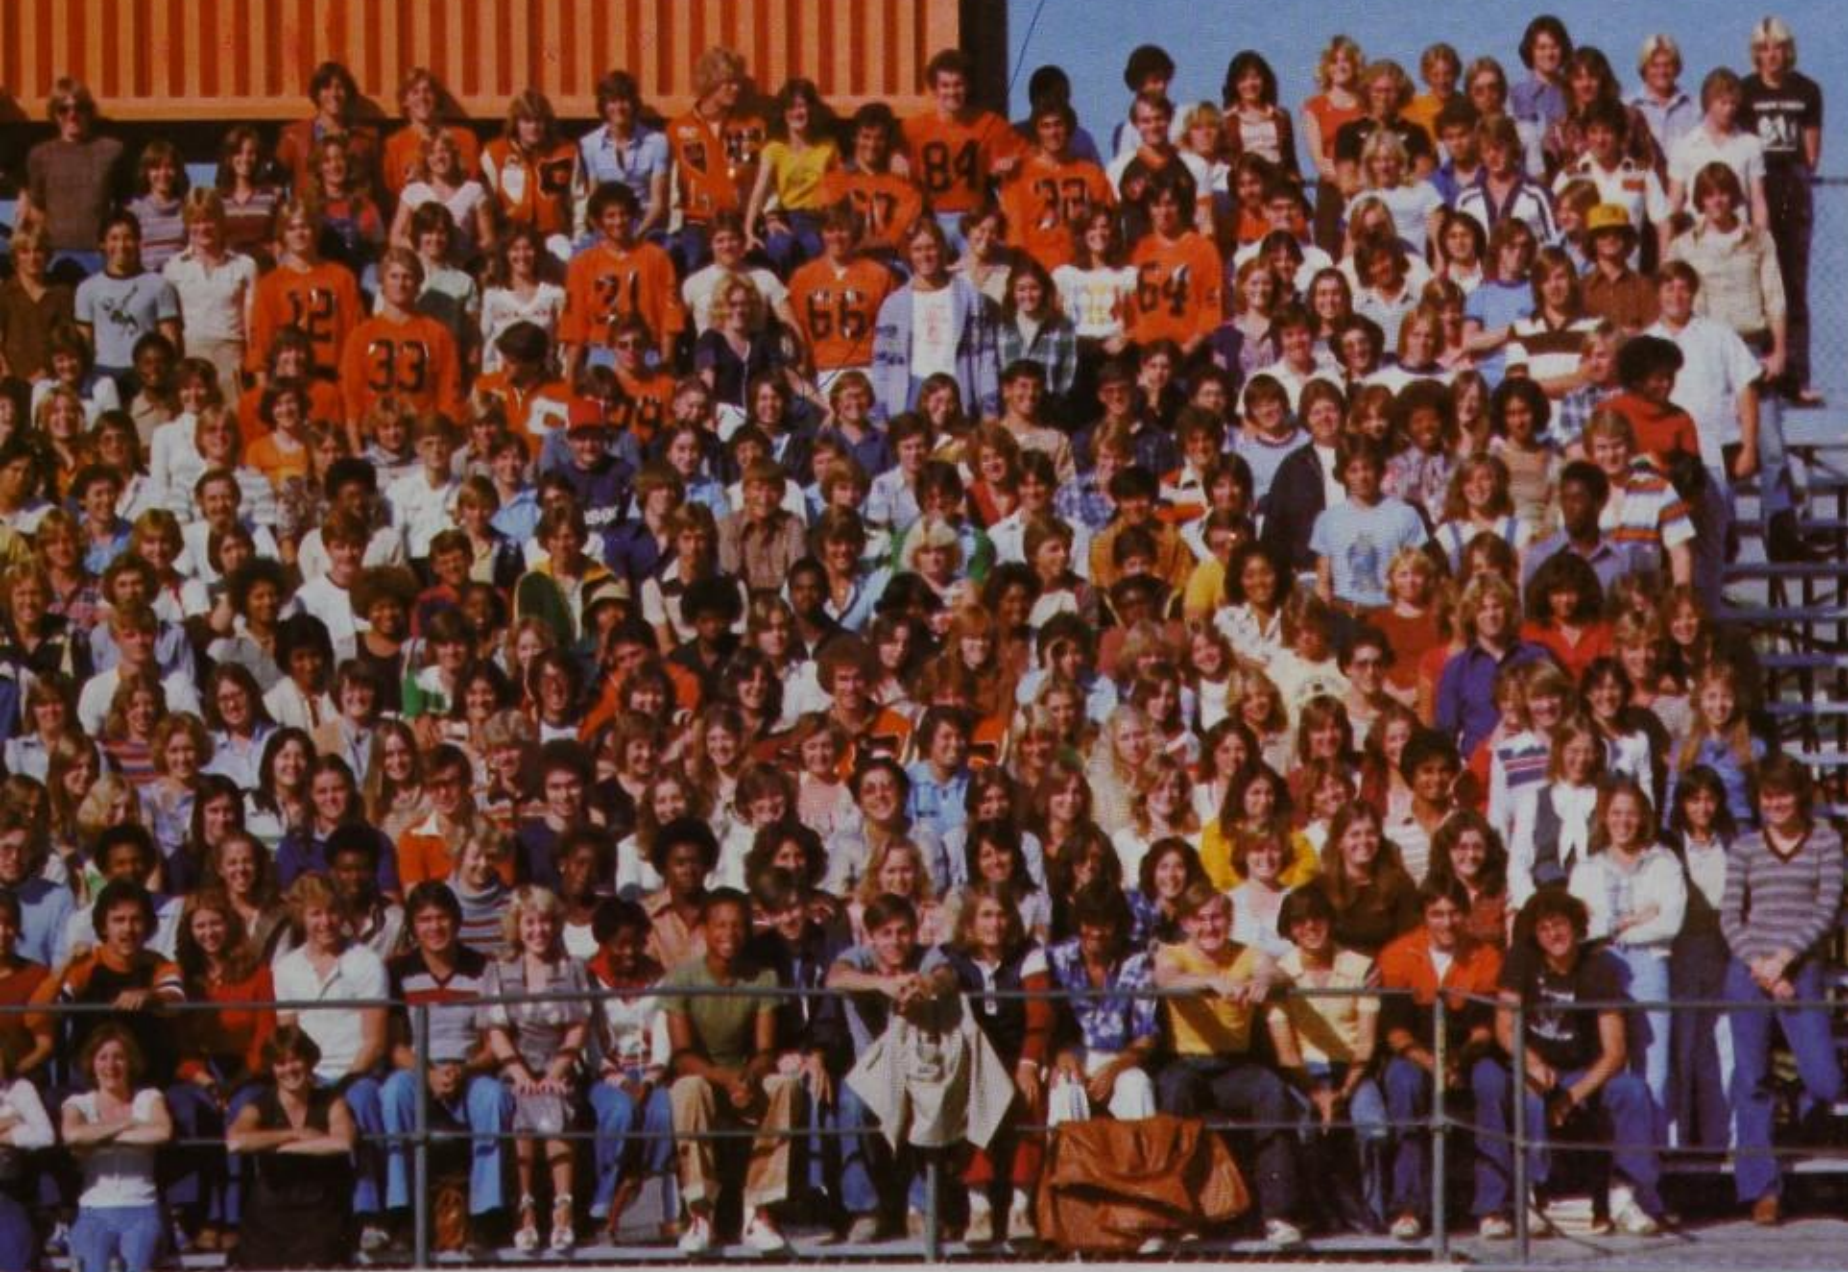

SENIORS OF

people in the world:
Chaparral seniors, and
those who wish they were*

Have a terrific
summer good luck in
your future.

They've got spirit, yes they do...

The cheerleaders created a force this year which carried our team on to state. This force was spirit; never before were our stands so packed and our crowds so loudly supporting.

Their dedication was proved through the money they earned through car washes, candy sales, and roller skating parties. Over \$1,000 was given to the football team.

The cheerleaders attended camp in LaJolla, California last summer and succeeded in capturing the spirit award and received second in competition.

Decorating houses, organizing the pep rally and car caravan before the Clark game, and cheering our teams on to victory all combined to make our cheerleaders the greatest ever.

Five new girls were chosen the beginning of this year to be the Freshman cheerleaders. The girls did a great job cheering for assemblies, football and basketball games. They appreciated all the help they received from Mrs. Golda and Mrs. Berry.

During the past year the J.V. cheerleaders promoted school spirit and planned many fund raising activities to finance parties for the J.V. teams. They spent many hours perfecting cheers to help support their team. The girls were advised by Mrs. Berry and Miss Crabb.

Song Leaders lead

The Songleaders were chosen last year in March and were all seniors. Practices were held during the summer at 7 a.m. every morning. They attended a Song and Cheerleading camp in Logan, Utah and brought back the spirit stick. Sales were also a busy part of the year for them. They made and sold roses, spirit tags, candy, mistletoe, love bugs for Valentines and carrots for Easter. Clinics, assemblies, skating and pizza parties also kept them very busy. The highlight for the girls was performing for the football and basketball games. Their gloves and pom-poms came in very handy for all the cold nights out on the football field. The girls would like to give a special thanks to their advisor, Mrs. Connie Berry, for all the time and help she gave them.

The Drill Team's hard work included practices earlybird and first period and every Thursday after school. With twenty new girls, they traveled to Santa Barbara, California in the summer to attend a Drill Team Camp. They received a superior trophy for their performance.

The Caballeras money making activities consisted of selling caps, mittens and scarves, candy sales, and holding a fireworks booth during July 4. They demonstrated their dedication when they decorated the football players houses before important games, performed during the cold football games and marched across the London Bridge at Lake Havasu.

The Caballeras was a group of girls whose spirit and dedication were a tribute to Chaparral High. Their advisor was Sharon McGimsey.

The 77-'78 Lariattes did a superior job in bringing entertainment to the halftime shows for the Chaparral Athletic Events. Aside from practicing before school, after school, and their first period Flagtwirling class, they went to camp this summer in Irvine California. There they received four trophies for superior performances including second place flag competition, two individual trophies; Gina Hines placing third and Shelly Ream placing second, and an overall superior team trophy.

With such a hardworking and enthusiastic advisor as Marcia Koot, Chaparral High School is extremely proud to have the lariattes as part of their program.

Surrey, twenty-five singer dancers, added another dimension to sound at Chaparral. Surrey has successfully blended dance and song for the last five years under the direction of Mr. Black.

Officers of the 1978 Surrey Singers were Vince Adams, Alane Fox, co-presidents and David Lynch, band leader. Fifty people auditioned for Surrey last spring; at the conclusion of the auditions Surrey had eleven returning members and fourteen new members.

Surrey practiced during their fifth hour class; they would practice to tapes the band made. The band practiced during its sixth hour class; however, they finally all got together Mondays after school and Tuesday nights for two to three hours.

Surrey had a democratic approach to picking out the songs they performed. The members presented songs, listened to records, had many heated discussions about their choices and then voted. Some of the songs decided upon and performed were "Rocky", "Live and Let Die", "Can't Stop Dancin'", "Happy to See You Again", and "Free".

the music

Surrey captured their audiences with a smooth style and hand-clapping beat. Although there were microphone difficulties at the beginning of the season, later performances went smoothly.

The Surrey Singers enjoyed performing at many elementary and junior high schools; however, Traci Morrison and Alane Fox agree their favorite performance was The Sand's Christmas Party where they performed for 350 employee's children. Traci felt that the younger children appreciated the music more and this caused Surrey to perform even better. Although performing takes a lot of hard work, one week on the song and another week to choreograph, all the members agree that audience appreciation makes it all worth it.

Girls' Glee has been active in concerts throughout the year. They have performed in such activities as the fall concert and the Christmas concerts at the Boulevard Mall and in Chaparral's town theatre. Some members are also active members of Varsity Chorus and Glee. Each year they attend a Festival, in which all high schools participate, and every year Chaparral's Girls' Glee has taken the #1 place. President of Girls's Glee is Grace Lagrue, Vice President, Libby Pyle, and Secretary, Janice Kieffner.

Varsity chorus works extremely hard to perfect their skills and sound. Even though Festival isn't until spring, chorus members are aware of the competition they will face and work hard to be number one.

The Christmas concert took weeks of practice during school and special practices after school. Many students had the opportunity to sing solo selections from the Messiah by Handel. In addition to those pictured, Cindy Wilson and Steve Ellis also sang solos. The concert was enjoyed by a large Christmas spirited audience.

Varsity chorus also has played host to visiting singing groups this year. A special treat was the state champion Fullerton Cal. State chorus directed by Dr. David Thorsen.

The chorus, girls' glee, and male chorus owe much of their success to Klark Black who is a firm and demanding conductor.

"Bus Stop" was a romantic comedy written by William Inge that opened November 9. For the eight performers in the play it was a great experience. They rehearsed 3-5 hours each week night for 6 weeks. musical

Chaparral Theatre Arts Department's production of "Godspell", February 8-11 dazzled many and will go down as the greatest production staged by the department.

"Godspell", the musical, based on the gospel according to St. Matthew, played to the largest crowds ever to see a play at Chaparral, and was the first production ever to be held over for an encore showing.

Kevin Maxon, star of the play, gave one of the best performances ever to be seen on the Chaparral stage. His acting was stunning, while at the same time he captivated the audience with his voice.

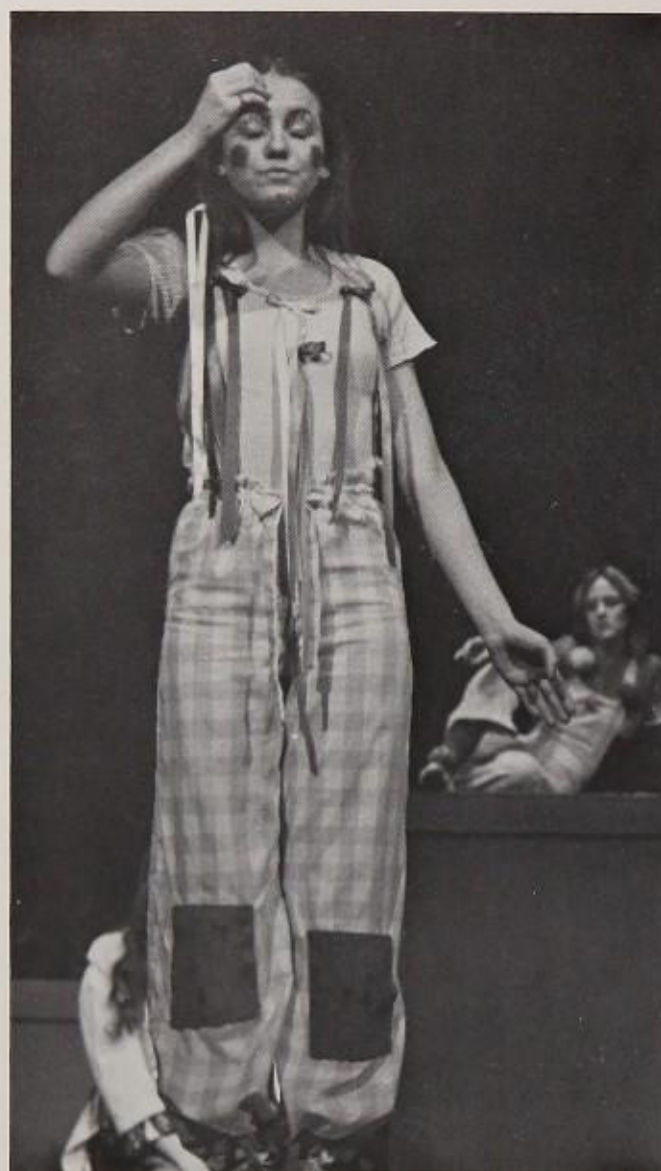

The choreography by Kerrie Lynn Paul beautifully complemented outstanding numbers such as Darcie Giroir's "Day by Day", Traci Morrison's "Light of the World", and Doug Dinkler's "We Beseech Thee". "All Good Gifts", sung by Ralph Di Bianco was memorable, as was Jami Morrison's torchy rendition of "Turn Back, O Man". Kevin Maxon and Ron Maestri's vaudeville style song, "All For the Best" thrilled the crowd, as did Terri Slobig and Amy Glasby's versions of "Learn Your Lessons Well". The breathtaking voice of Cindy Wilson echoed through the theatre in "Bless the Lord" and Renee Krafft's guitar-accompanied "By My Side" was also touching. Maestri and Maxon's opening numbers, "Prepare Ye" and "Save the People" were outstanding as was Vince Adams' "On the Willows".

Backing up the voices was the "Godspell" band, seated at the back of the stage dressed in black. David Lynch, Jody Alvarez, Ron Hunter, Dolphis Boucher, Ron Mancuso, Jeff Campbell, Paul Cameron, and Linda Murphy did a superlative job in providing a brilliant background for the play. Lynch arranged the complete score for the production.

Special commendation goes to Len Paul, director, for making the whole production work. Without his direction, the production would not have been what it was.

The finale of the musical was exciting while at time same time touching, leaving the audience and even some of the crew weeping.

"Godspell" will be remembered as one of the premiere occasions of the year. The "celebration" will be forever savored in the memories of all those involved and all who witnessed the production.

Some may ask what's a "Drama Workshop"? It could be more appropriately called Drama FUNshop where anyone interested in Theatre Arts at Chaparral may attend for activities including; game shows, special speakers, theatre games, performances, competition information, and everything else to do with Drama. The Workshops are conducted by the Theatre Arts officers. They even have extra activities outside of school such as; trips to the park, the lake and Mt. Charleston. Their main objective is to involve Theatre Arts students with Theare Arts.

C. H. S. Express uses the 5-W's

During the 77-78 school year the Chaparral Express staff did everything they could to keep students informed on school activities.

Although most of the staff were first year members their enthusiasm and persistence eventually resulted in a production of good news.

Bill Russell, advisor, and Gail Fitzgerald, editor, were responsible for the organization and final production of the school newspaper.

Chaparral's varsity quiz team despite a losing year, was very competitive with the rest of the teams in southern Nevada, including a very close game with Gorman High School, who have been undefeated for the past 3 years. Chaparral's team practiced twice a week preparing for the matches. Their advisor was Bob Locatelli.

The Navy Junior ROTC was a part of the regular academic curriculum at Chaparral. Students recieved instruction in Naval Orientation, Oceanography, Small boat handling, Military Courtesy, and Drill instruction.

In addition to class instruction, a small group of cadets went to Hawaii on board the Helicopter Carrier New Orleans last Fall. Early this spring, the class went to San Diego to the Naval Training Center where they went through a week of Basic Training attending the same classes as regular Navy recruits.

New to chaparral this year is Master Gunnery Sargent M. Strote. USMC retired. Sargent Strote served with the Marines for 29 years.

Homecoming celebrated by many activities

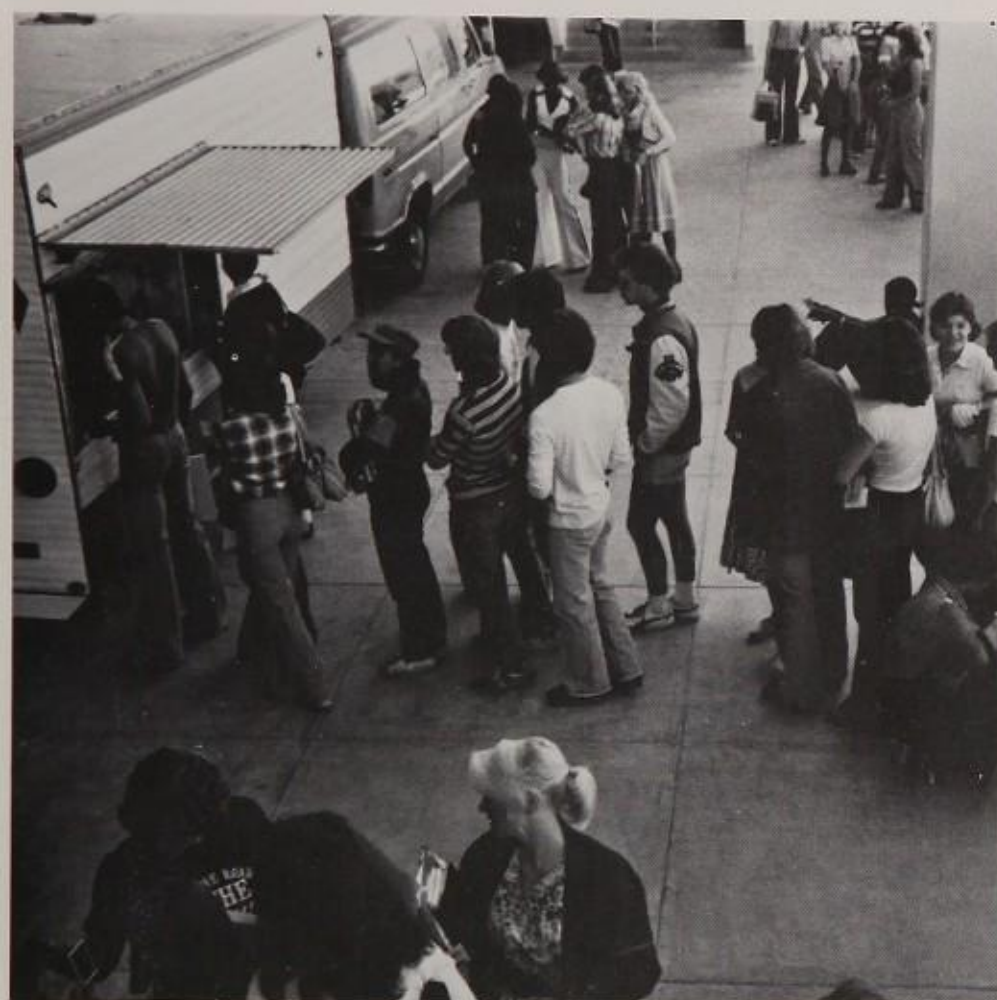

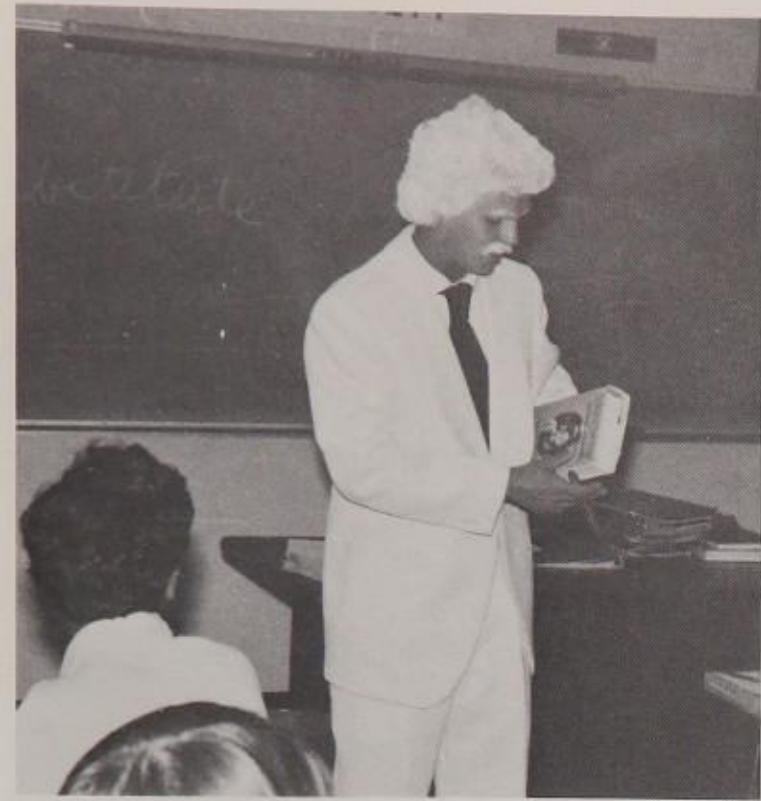

Chaparral students gave spirited support to this year's homecoming festivities. Donna Smith and Joe Bonggiovanni won best dressed for the theme "Yesterday" and David Welsh and Karen Huntsman received recognition on "Cowboy days". Lunch time was a busy time with tricycle races, limbo contests, hula hoop contests, stick horse races and an A and W sponsored jug-a-lug. Melissa Ducharme was crowned Homecoming Queen on Friday night and reigned over another Chaparral victory with her court attendants Donna Eliakis, Kathy Platt, Cheryl Cox, and Mindi Cates.

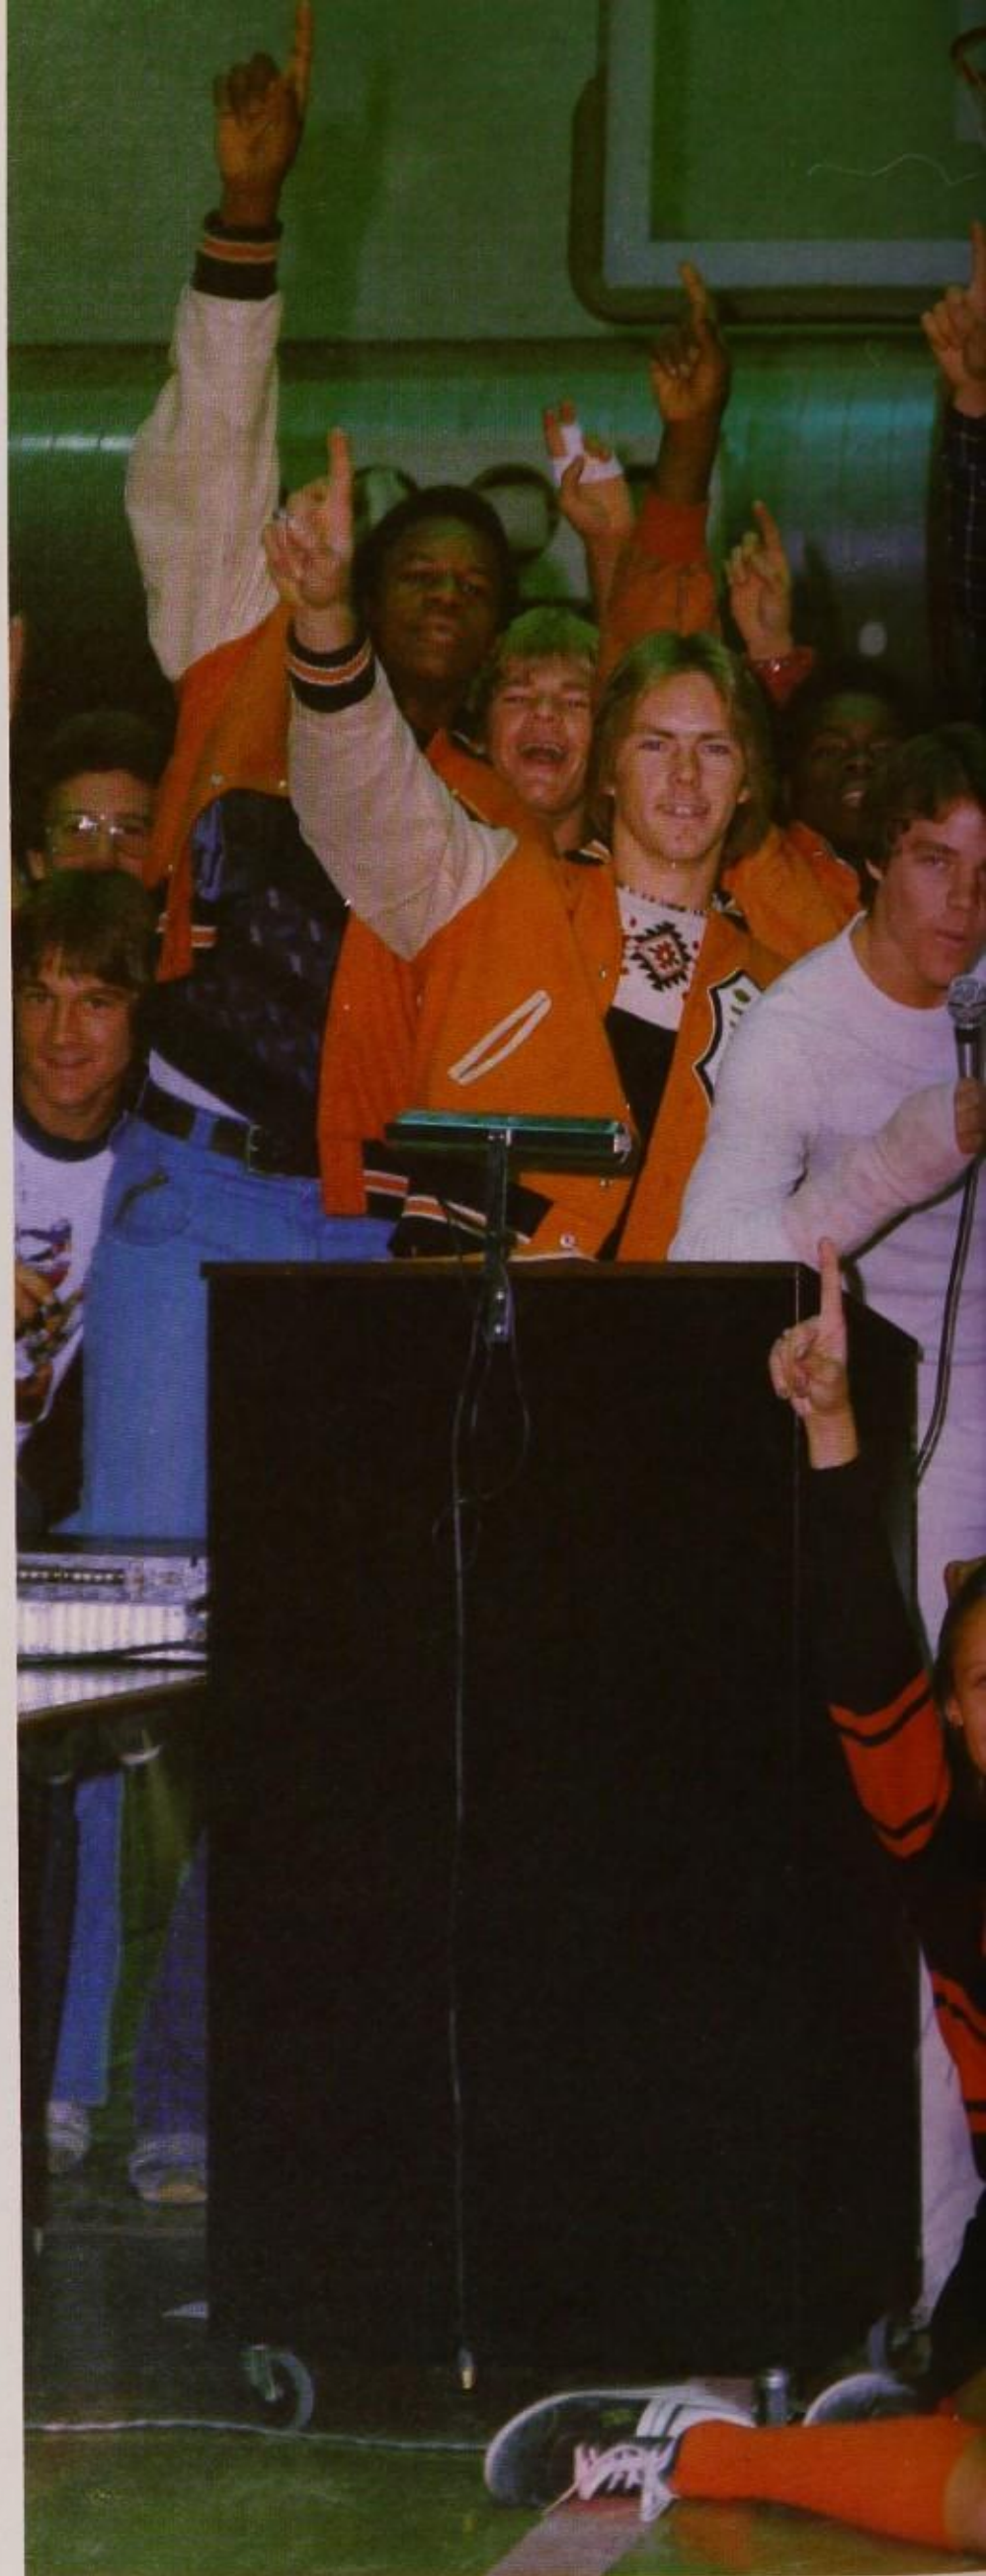

Homecoming, a real chance to get involved

Homecoming week also included a bug race which was won by the Junior class. Close behind them were the counselors who showed up on crutches and wheelchairs to fool the opposition. During the week, Mr. Baggett came dressed as Samel Clemens and discussed his novels with his English classes; Mr. Collins proved he had hidden talent as a hoola hoop artist, and not to be left out, Mrs. Reis gave the A. and W. bear a kiss. The week ended with a well attended homecoming dance where everybody got a chance to get out of their crazy clothes and into their best for a formal dance at the new Maxim Hotel.

State pride shines

It was a very good season. When it was all over, the scoreboard read 22-6. The cowboy football team was State Champion and proved they could be more than number two. They had come close before, but now they were not to be denied victory. Tension iced the cold, frosty night air as the crowd huddled against the cold. Although the Huskies scored first, the Cowboys confidence remained undaunted. After Lee Jimerson set up a cowboy touchdown, Dallas Sweeney put Chaparral ahead by kicking the extra point and the cowboys had a lead they would never relinquish.

Boys' state honor for few

Girls' state honor for fewer

Girls' and Boys' State proved to be a learning experience in leadership, politics, and social, state and national government. Students participated in local and state elections and formed governments run by the students. The students were selected by recommendations from teachers. Wid Bastian, Kathy Platt, and Ken Misch were all nominated by Boys' and Girls' Nation.

Honor society comes alive

Honor Society was very involved with both school and local activities. They did such things as painting the Easter Seal Building and organizing high school students to participate in the Miracle Walk for arthritis. Closer to home, the honor society served as ushers on senior-parent night, Nov. 17, when college and senior activities were discussed.

Woosh, crack, boing; it must be winter sports

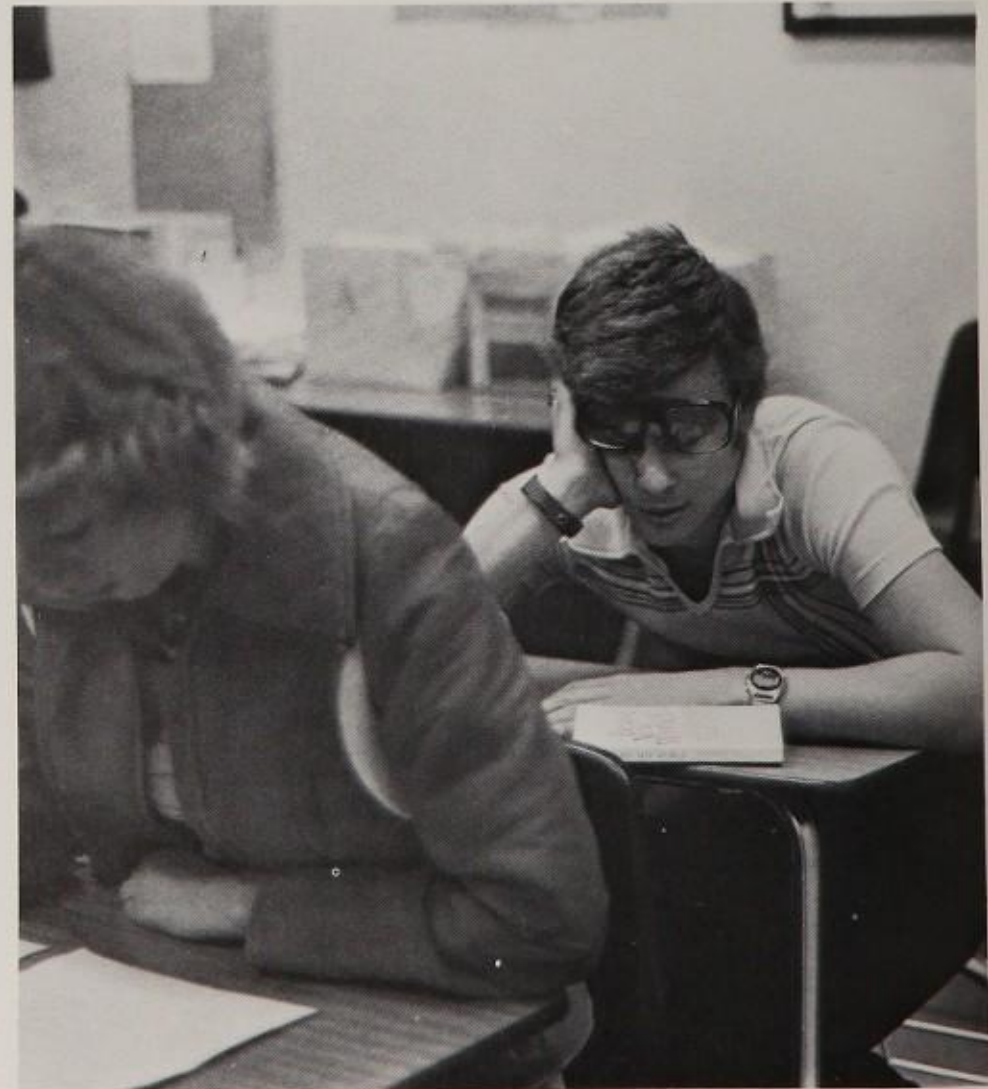

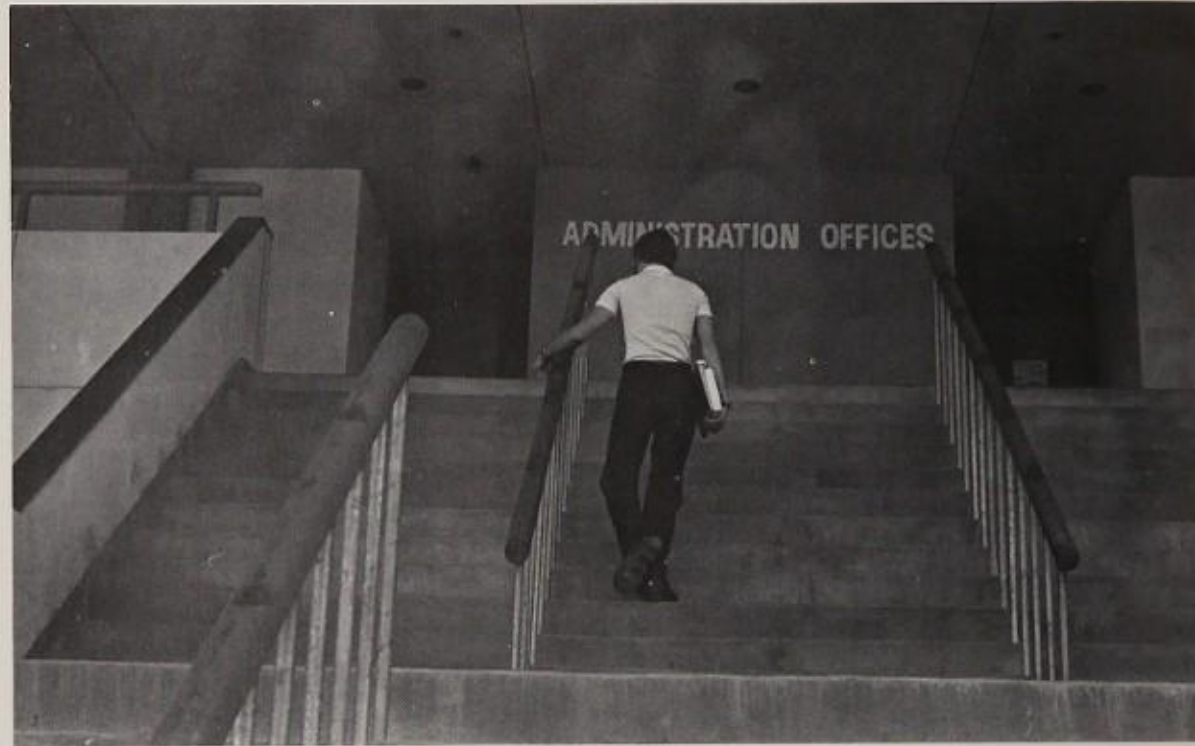

Chaparral winter sports got off to a great start in December with winning teams. The basketball courts were dominated by players like Mike Burns, Tom Rossi, Donnie Love, Ronnie Richards, John Bowers and Mike Malloy showed superior skill and spirit against Clark in their first confrontation. Cowboy wrestlers overpowered the Vikings in an early match to maintain their number one position.

A day in the life of an average student (enacted so ably by Ron Maestri) might have gone something like this ...

6:30 ... woke up, hit the alarm to the floor ... third one I've broke this week.

7:30 ... I split my pants ... we ran out of cheerios ... and the battery was dead.

8:30 ... sent to the Dean for excessive tardies.

9:30 ... Locker jammed again ... sent to the Dean for kicking my locker.

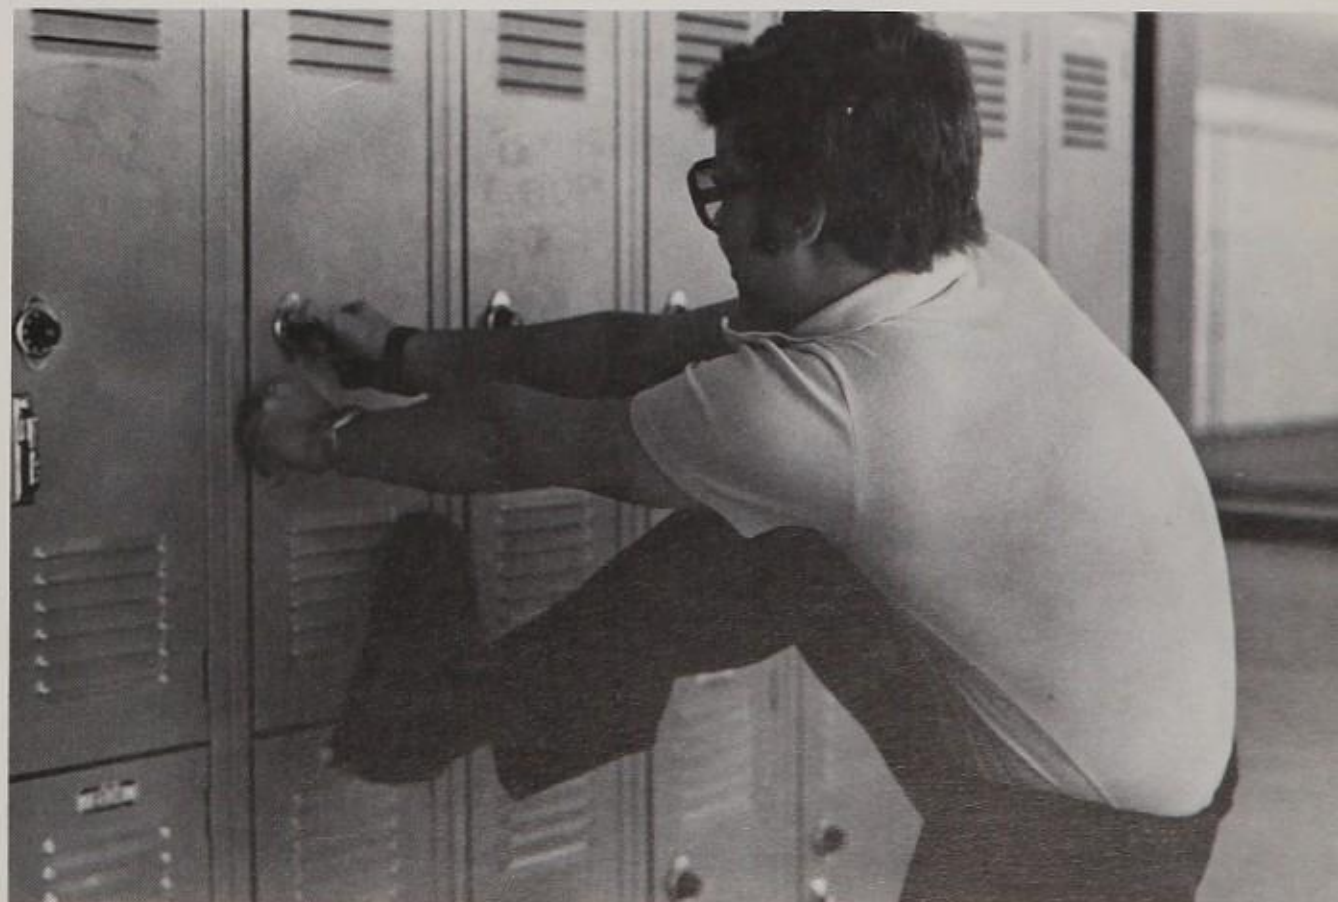

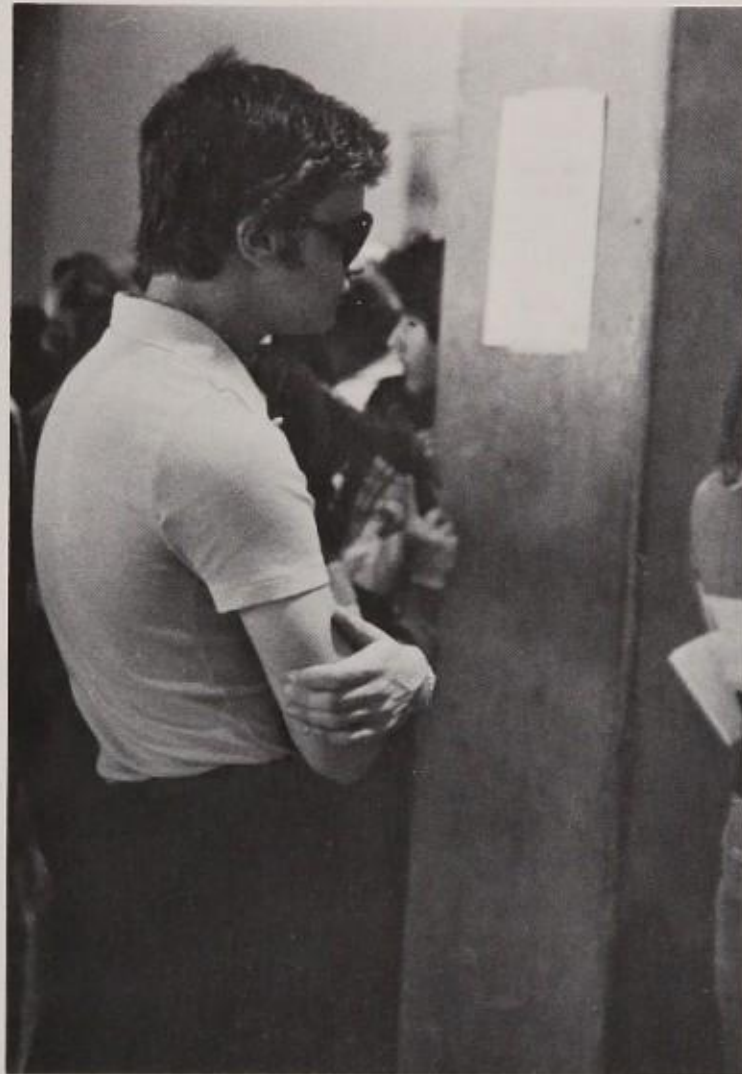

10:30 ... fell asleep during a lecture in third period ... got sent to the dean.

11:30 ... Made record time getting to lunch ... and waited as usual.

12:30 ... Fifth hour English had pop quiz ... didn't read the chapter.

1:05 ... walked someone special to class ... almost tardy

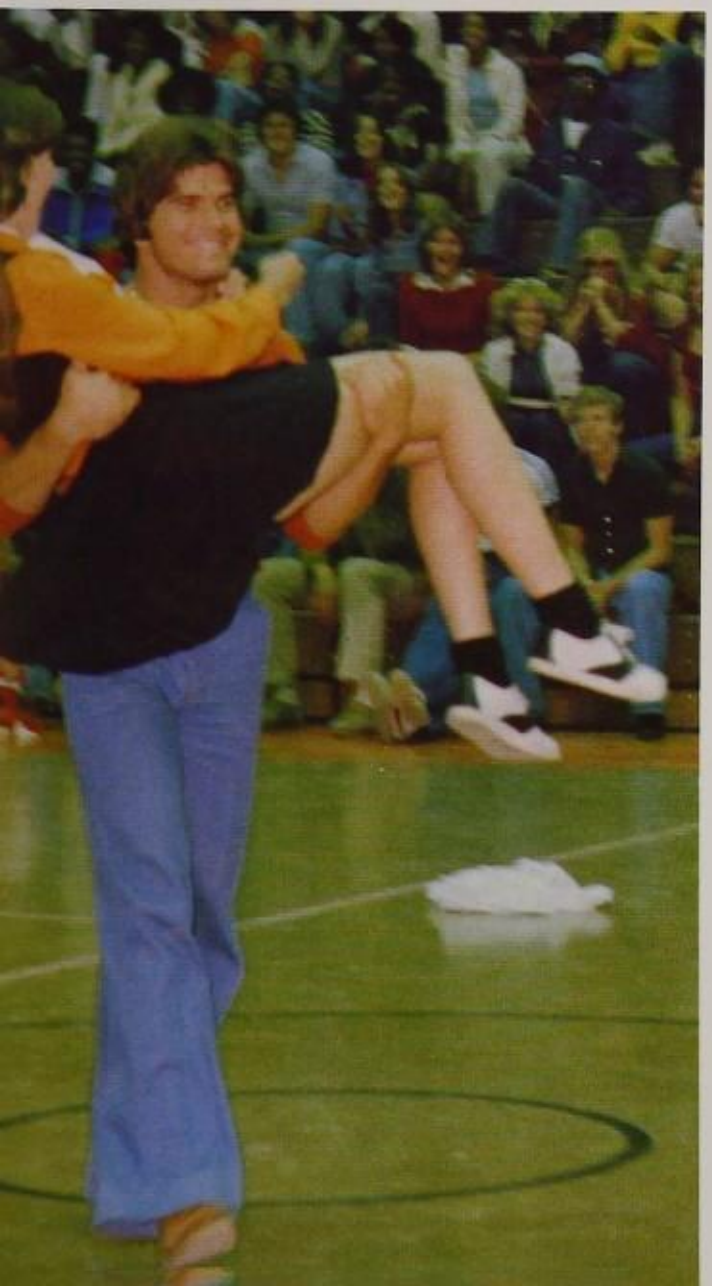

2:00 ... Out for the day

Christmas comes early

Mrs. Reis read her annual poem about school personalities at the christmas assembly. Santa attended to watch the Callellaras and spirit girls perform. The cheerleaders won the Christmas tree decoration contest, and Gina got Coach Montoya for Christmas from the Lariettes. Carnations and mistletoe were distributed, parties appeared as if by magic, and carolers toured the halls. Only snow could have made Christmas better.

Mardi Gras draws crowd

The C.H.S. French Club hosted "Mardi Gras '78," a spectacular spring festival, this year. Announcements, signs, and fliers advertising the big event were plastered throughout the halls for two weeks before the Mardi Gras. The clubs that were participating assembled in the cafeteria Friday afternoon to set up their booths. French Club members decorated with strings of balloons, crepe paper flowers and signs to brighten up the dreary cafeteria. Paula Naegle, with help of others from the French Club, made the Mardi Gras the success that it was.

Entertainment was provided by a new band called "Arrival," which featured Robert Sanford and Alane Fox. They made their premier performance which lasted for one hour. Boogie Machine played continuous taped music for the remainder of the Mardi Gras. Even though the room was warm and the dance area was small, everyone kept on dancing until the music stopped at 10:00 p.m.

The National Honor Society put their ingenuity to work and came up with a hilarious obstacle course. The race consisted of jumping into tires, walking a plank, riding a skateboard, putting on inner tubes, and popping a balloon. All of these activities were done while wearing flippers.

Mrs. Bowman's psychology classes gave away cakes as prizes for their dary throw game. They raised \$100.00 which they donated to the local chapter of the Multiple Sclerosis Society.

Cheers could be heard from the pie throwing booth when Mrs. Reese took her turn as the target. The money earned by the Serteens from the pie throwing booth was also given to charity.

Football players were seen wearing strange costumes while having their picture taken in the Drama Club Photo Booth. John Bieman, Coach Montoya, and other Lane Leaders smooched all night in the kissing booth. A good time was had by all.

Varsity Football State Champs!!!

The football season began for the Cowboy football team in late July, when most of the players went to football camp in Utah. Highlights of the camp included initiations of the junior football players.

August, a normally hot month for Las Vegas, was even hotter for football players, as they began the practices with "Hell Week". The team worked out six days a week, twice a day in hundred degree temperatures during the summer and five days a week in the fall.

Players had to be at Chaparral three hours before each game to be psyched up in addition to being taped up. After their pre-game prayer, and Oakland Raider film, they charged the field to the tune of the Chaparral fight song, "The Magnificent Seven" for their calisthenics.

With the crowd roaring their appreciation, captains Don Schmidt and John Rader went to the middle of the field for the toss.

Chaparral continued on the road to the state championship, losing only one game on the way. Students attended game after game supporting the style and talent of their number one team.

They participated in school assemblies during the season, decorated lockers and houses and gave the team their support.

Cowboy Tennis completes finest year ever

Perennial Tennis Powerhouse Clark High School was the only stumbling block of this year's Cowboy Tennis Team. The Cowboys compiled an impressive 10-1 mark losing only to the Chargers. The Cowboys, Chargers, and Vikings all finished the season with 10-1 marks and tied as zone co-champs. Clark, however, won a three way playoff and went on to win the State championship. Cowboys Arnie DiGeorge, Anthony Alfonzo, Brad Capawana, Ray Alfonzo, and John Drake were both all-conference, and all-state. Congratulations on a great year!

Lady netters finish year 9-2

Chaparral's Girls Tennis Team completed a very successful year by capturing third place in zone. Led by Gina Miller in singles and Tami Resnick and Nickie Freedman in doubles, the Cowgirls rolled to a 9-2 record. A highlight of the season came in the Bonanza match, when the score was tied 13 ½ to 13 ½. Lori Jones was the only one still playing and she was losing 5 games to 2 and set point. Miss Jones made a heroic comeback from sure-defeat to win in a tie-breaker and win the set and the match for the team. All the girls played well under pressure and deserve much credit.

Sandra Hamilton makes Varsity team tops

The Cowgirls had a great season this year. Their Conference record was 19-2. They were 3rd in Zone and 2nd in the State. The 1st team seniors were outstanding. Sandra Hamilton was voted a member of the All-Conference Team and she ended her season with an average of 18 points per game. Shelli Koelliker did some outstanding rebounding and she ended her season with an average of 12 rebounds per game. Sabrina Hyde ended her season with an average of 10 rebounds per game. Jackie Hunsaker and Pat Gray made big contributions with their guarding abilities and will be returning next season. Tanya Webb and Pam Albrecht also played a great season and will be returning next season.

The 1977-78 J.V. Basketball Team had a very successful season. There were several outstanding players. Kathy Denton was the #1 guard, infact she was the best J.V. guard in the CCSD. Renee Ramsey played center, and she did a terrific job. Playing forward position was Wyndy Brooks and Carolyn Wilson. They really held their own defense in dominating the back board. Lisa McDonald and Kim Lee contributed a great deal to the team. With their speed and ability to handle the ball, they really helped out a lot. Darnell Fraizer, Susan Hartman, and Kelly Rose were forward and very good ones. They handled the ball well. Overall the 77 J.V. Team was very successful, they finished the season with a 11-4 record.

Varsity cagers rated tops

Chaparral's 77-78 Varsity Basketball team began the season rated as the top "AAA" team in Nevada. The team concluded their undefeated pre-season games by capturing first place in both the Victorville Valley Invitational Tournament and the Rancho Holiday Classic. Mike Burns was MVP in both tournaments.

Chaparral always won through a team effort and almost always had four or five players scoring in double figures. Many games were saved by a reserve player coming off the bench to lead the Cowboys to victory, as in an early league game against Valley, when Danny Poole and Mike Washington came off the bench to spark Chaparral to overcome a nine point deficit early in the game. The John Mannion/Pace Mannion combination, Tom Rossi's outside jump shots, "Spiderman" Burns' slam dunks, and the overall tight play of Ronnie Richards spiced all of the Cowboys' exciting running games.

Cowboys lose cager Love

Chaparral's most unfortunate loss this year was the death of Donnie Love. At the time of his death, Donnie was a forward on the Basketball team and second leading scorer and rebounder. As well as being an excellent basketball player, Donnie was well liked by his teammates. He brightened up practices and locker room sessions with his unique sense of humor. The Basketball team dedicated the remainder of the season to Donnie Love. In memory of Donnie, the team voted to retire his jersey (Number 52) At an assembly, Coach Booth presented a mounted display of Donnie's uniform and picture to memorialize his contribution to Chaparral. Hot Shots fire up!

The Hot Shots were an enthusiastic group of girls that lent service and spirit to the Basketball team. They took down statistics at games and did many other things to help keep the players happy. Some of these included: making signs, selling programs, decorating the player's lockers, and providing Gatorade for the players at each game. The Hot Shots had various money raising projects to help pay for their trip to Reno. There are nine girls altogether, and the president of the group was Eileen McFadyen.

Varsity soccer team has winning attitude

At the kick off, the excitement began with Chaparral dominating the field. Steve Kahn scored in the first six minutes of play, followed by Brad Marks in the second quarter. The Cowboy's took a total of 15 shots in the first half against Eldorado, coaches Bob Johnson and Robert Lemmon made many substitutions allowing the whole Cowboy team to play. Sammy Combs and Steve Kahn took credit for the 2 remaining goals and Chaparral won the game 4-1. The team made their annual trip, this year to Torrence California where they played on a rainy day against the El Camino Semi-pro team. The Cowboys were

defeated 3-0 but played the best game they played thus far. Knotts Berry Farm and Redondo Beach were part of the agenda.

The graduating seniors who will be missed were Gary Sepede, Steve Kahn, Mike Malloy, Sammy Combs, Jack Rader, John Bowers, and Bruce Thetford. With players like Randy Fields, and Shain Strnod returning to the team next season the Cowboys will be off to a winning start. A new coach for Chaparral this year, Bob Johnson, stressed game plays and a reconstruction of the team. The season ended with a record of 6-6-3.

J.V. bowlers division champs

During the '77-78 school year, both the boys and girls varsity teams finished half way down in their respective divisions. The girls were led by juniors Arnett Sutton and Sherril Pratt while senior Keith Bauer, and sophomores Mike Point and Jeff Peterson led the boys. Both boys and girls JV teams outdistanced the others in their divisions. This year's boys squad was made up mostly of freshmen and sophomores, who promised to improve in coming years. Coach Dyck was able to award letters to 10 girls and 12 boys and will lose only five bowlers through graduation. In the playoffs against Western, the girls JV team was victorious and became league champions, however the boys were defeated.

Chaparral's 77-78 JV Wrestling team had its best season ever as they remained undefeated throughout the year. In the Rancho Classic they were the only J.V. team wrestling Varsity teams from other schools. They are well prepared to become Cowboy Champions in the years to come.

J.V. wrestlers future champs pin pals enthusiastic group

Adding much enthusiasm and cheer to wrestling matches, the Pin Pals work very hard during the course of the year to support the Varsity and Junior Varsity wrestling teams. Selling fireworks in the hot summer sun began the year for the 34 Pin Pals. Candy sales and selling CHS Invitational T-Shirts were just a few of the ways they raised money to support their team. Money raised pays for out-of-town expenses when the Pin Pals are on the road with their team. Being a Pin Pal was described as being a big family of close friends, said one Pin Pal. "We go out together (wrestlers and Pin Pals) and do things even when there isn't a match."

Juniors: The class with class

The class of '79 showed their outstanding power, energy, and spirit this year. They put their energies to work and won the Homecoming Bug Race, entered the float and stand decoration competitions, and decorated the entire school campus on Junior Spirit Day. The Administration received a special treat that day as all offices were completely decorated in orange and black. The Committee made sure that everyone was thought of in a special way by sponsoring Homecoming carnation sales. Flowers were EVERYWHERE!

Their vocal chords could always be heard at the Pep Assemblies which lead to their possession of the spirit stick on several occasions. The Class of '79 ended the year with the Junior-Senior Prom.

You just listen here buddy.

Have you ever tried to read your clay?

Oh, excuse me, yeah. Excuse me ma'am, thank you. Oh, sorry, sir. Now what? Nobody ahead is moving. They're all watching the game. Why'd we have to sit way over on the twenty? Oh, I'm sorry about that coke sir. Here, let me wipe it up for you. Oops, I did it again. Sorry about that. Get me out of here. Someone, get me out of here. Why did I offer to get the cokes. Boy, am I stupid. Sometimes I wish we had a losing team just so the stands would have room to walk in.

What do you mean if I add water it will blow up?

Ken has the last word on style.

Boy, am I starved. I could really use a good breakfast right now. Hey, this stuff doesn't look too bad. Sure you can have a taste. Is it good? Hey, wait a minute, don't pass it around. Wait, that's my milk there. Hey, I paid for that stuff!! Some friends. Boy, am I starved.

I've got to hurry, I'm late for — oh my gosh, did anybody see me fall up the stairs? If someone saw me fall they'll have it all over school. They probably think I'm some kind of weirdo that goes around smashing my face while falling up stairs. I'm going to see what I can do about getting a petition for a lot of elevators.

Sophomores shout it out

The Sophomore Class Committee took great pride in representing the class of 80. During homecoming week most of the committee spent several hours after school each day making signs, decorating stands and making their float. In the end their hard work paid off as they captured the spirit stick and took first place in both the float and stand decoration contests. The committee was advised by Miss Erbe and Mr. Tomlinson.

Throughout the year the Sophomores had several candy and carnation sales to help raise money for the Girls' Reverse. The theme was A Time For Us.

Sophomore class is looking forward to two more years of spirit and pride.

Yes, the same picture that will be sitting on the shelf for everyone to laugh at. Ho Ho. And now you're about to get yours. All these people who were in front of you are holding their packets close to their chests so no one can see them. You're next.

Well, there's the driving instructor. Here goes nothing. Turn right at the corner, sure. Oops! Didn't realize it had power brakes. Red light, I didn't see a red light. What old lady? Oh, the one on the curb. Why was she lying down there with her groceries, anyway?

Hi gang! Guess what time it is? Everybody wake up now, it's time for the morning announcements."

Why me? It's too early for Ron Maestri. Why couldn't Dave do them today?

"Well, looks like the Sidekicks will meet today after school at 2:05. Aren't you thrilled?"

Now the teacher's giving out homework. Why are those announcements so long?

"An organizational meeting for the apathy club will be held Tuesday, those interested in joining should not plan to attend"

Someone should start a petition to ban Ron from the morning announcements.

"And one more thing gang, today is Kill Your Teacher Day! everybody act intelligent in class, it'll kill em."

Finally, Dave will be on tomorrow.

Is that really you?

Kenny's 30 seconds of meditation.

Bank giggles.

A typical C.H.S. sweathog.

Janet loves to study.

Fire drills are a time of rest.

Alright, we got a substitute! Boy, I love substitutes! Now she's gonna read off the roll. Wait'll she finds out this class has 47 students in it. Now she's telling the class to shut up. Gosh, she has a big mouth. She'll never get this class to shut up. "When's our teacher coming back? Tomorrow? Then she's not terminally ill? Well, can't win 'em all." Now she's handing out the assignment. All the questions? There's 20 of them. And they're all essays. By the end of the period? It's worth 100 points? Boy do I hate substitutes.

Dick gets his first date.

Peek-a-boo I see you.

You've got to be joking.

... "Hey, you wanna ditch third period today?"
 "Sure, that teacher is a bore anyway."
 "Great, where do you wanna go?"
 "I don't know. Where do you wanna go?"
 "Well, I gotta be back by fourth. I gotta test."
 "Okay, let's go to McDonalds."
 "Nah, they only serve breakfast now."
 "How 'bout Jack in the Box?"
 "Too expensive."
 "Food Factory?"
 "No, they don't have onion rings."
 "Do you really wanna ditch?"
 "Nah."
 "Okay, well see ya."
 "Yeah, see ya."

Well, first day at the driving simulators. All right I've got my seat belt fastened. Turn key and start car. Right, O.K. Start out in first gear. Now, accelerate up to the speed limit. Look out for what truck??? Was that a right turn or left??? What cat??? Wait a minute, I stalled. Was that neutral or first gear? What do you mean time's up??? I didn't even get a chance to drive.

Where in the heck is a stupid parking place!? I'm already late, there's got to be one here somewhere. Ah! There's one . . . They should make a law about placing fire hydrants and lamppost in parking spaces! . . . Over there, across the street. That looks like a great place to park, real close too! What do they mean "No parking from here to corner"? . . . I'll try over there . . . Found one, beautiful! . . . Who's that coming toward my car? . . . It's Henry, the security guard! . . . Please let me stay here, it's the only place I can find . . . You know Dean Ries won't mind if I park in her space! . . . She will?

Chaparral gets another new gate.

I don't think I'm gonna ever make it through tonight. I've got 50 problems to do in Math, read two chapters of U.S. History, finish my essay for English, and study for the big test tomorrow in biology. And to think I haven't had homework in two weeks until now.

I wonder what I'm gonna miss on TV tonight. Let's see; 8:00-Gone With the Wind, part II. 9:00-Charlies Angels investigate a nudist camp. 10:00-The Bob Hope, Gabe Kaplan, Elton John, Led Zepplin, Fleetwood Mac Special. There's no way I'm gonna miss those shows. Who needs school, anyway.

Bill hopes to be as good as Kristi McNichols.

My muscle's bigger than your muscle.

A mighty grip of steel.

"Wait a second, I've gotta go to my locker."

Go down the hall, dodge a few people, and turn to the orange, red, or beige, tall skinney objects called lockers. Throw your books on the top and turn a black knob to the right, to the left a little, and back to the right. Grab a smooth whachamacallit and yank it up, opening the locker ... the door bumps the person next to you.

"Oh, excuse me. I hafta get into my locker."

Slide the books off the top of the locker, and ... Oh no. Someone spilled coke all over the top and it's all sticky and ... Not a good way to start off the day.

Throw the books in the bottom and trade them for some you'll use later.

Crumpled papers fall onto the ground. You kick them back in.

"Is that all I need?"

Look over the locker for a second. You really should take out some of that junk in there. Well, I'll do it tomorrow. Grab a pencil off the top and slam the door shut.

"Hey, you ready for the test in English today?"

Freshmen class young but spirited

The Freshmen Class Committee contributed much spirit, time and effort toward Chaparral High. They showed their spirit by decorating the cafeteria on Freshman Day, decorating the stands at the homecoming game, and spending a great deal of time in building the freshmen float. With the help of their class the committee contributed spirit, pride and dedication to the 77-78 school year.

Freshmen Class Committee: First row, left to right; Susan Platt, President, Andrea Ducharme, Kelly Robinson. Second row; Shelia Shelton, Lisa Enriquez, Betty Delgado, Carol Weston. Third row; Suzy Taylor, Vice President, Tena Anderson, Geri Cole, Diane Karas. Fourth row; Kim Ball.

This has got to be one of the dumbest things I've ever seen. I mean who has ever heard of a 30 second meditation period? I can't even think let alone meditate. Aw, come on 30 seconds, please get over. It seems like hours have gone by already. Gee, I've never had a class so quiet. Hmmm, what do I have to do today? Go to work, let's see . . . Oh no! I have a date at 7:00 and I don't get off until 11:00. What am I going to . . . What do you mean our 30 seconds are up? Why can't these meditation periods last longer?

What's up?

Does this mean I didn't make the team?

There are some things that stick in your mind for a long time: graduation night, the senior prom, and Straw Hat after a football game. Then there was Mike Burns, running downcourt, giving the No. 1 sign in the finals of the Southern Zone Basketball Tournament against Gorman.

The scene was the climax of the "edge of the seat" game where the lead changed at nearly every touch of the ball.

It was the perfect finale for the game which included many such scenes: Burns's three slam dunks; Pace Mannion blocking Gorman's last shot in regulation; Burns slapping the team's hands on the way downcourt; the crowd yelling their lungs out, rooting for their team; laughing at Gorman's "Spider Who?" sign; and the awards presentation at the end, with Burns and Mannion making the All-tournament team, Burns as most valuable player.

There are some things that stick in your mind for a long time.

Cowboy wrestlers State Champions once more.

Chaparral, for the third consecutive year, took first place in the State Wrestling Championships. This is beginning to become a habit with Cowboy Wrestling.

In the Cowboy tradition, five of the eight State wrestlers were champions: Bill Schoessler, Jay Kashiwamura, Tom Robertson, Phil Courtney, and George Navarro.

In spite of cold, wet and windy weather Chaparral's spring sports season got off to an enthusiastic beginning on Mar. 1. The baseball, softball and track fields were heavily populated with students who were sharpening their skills with hopes of making it on the team. Coaches worked carefully with each student on technique. The ever dreaded cut lists clipped to clip boards served as a reminder that all was not fun and games, but another highly competitive season was about to begin. Every team has a limited number of participants, and many who brave strains and sore muscles that accompany an all out effort cannot be chosen. In the following pages, we would like to honor those students, whether they became team members or not, who turned out in support of the spring sports program.

Sweetheart Ball, big success

The Sweetheart Ball is always the big success of the year. Every girl is assured that she will be at the dance mainly because she pays for everything. The Ball was held at the Marnia Hotel following the last season basketball game against Valley on February 24, 1978. Soul Connection, the band for the evening, entertained 400 to 500 people. The Class royalty were Valerie Valow and Jim Pisanelli, freshman class; Erin Colleran and Rob Anderson, sophomore class; Cindy Maul and Danny Lunt, junior class; and Cheryl Cox and Don Schmidt, senior class.

The 77-78 Black History Week assembly turned out to be a very successful one. The guest speaker was Judge A. D. Guy who spoke on the history of slavery. Next in line was Kim Fowler singing "Our Love". Kalani Fowler was next reciting a very emotional poem that really made sense to the crowd. Mrs. Fowler, better known as "Pistol", helped the girls out in a song, "If I had a Hammer". Afterwards, Larry Powell recited a poem.

The highlights of the assembly were when Dante "Turk" Evans, Bobby Green, and Chris Fowler song "Always and Forever", and when Emma Gordon song "Good Morning Heartache".

The audience enjoyed a dancing group from Woodbury Jr. High while they performed. To end the assembly the narrator of the show, Pat Penix, did a very interesting jazz dance in which her dancing skills were evident.

Kathy Platt 2nd in Miss Drill Team competition

Kathy Platt was the first drill team member from Nevada to place in the top five finalists of the Miss Drill team U.S.A. competition. Kathy was elected by Chaparral's Drill Team members because of her sparkling smile, her ability to project her personality, and her exceptional movements in performing a routine. Kathy did very well in competition winning the modeling and speech competition which accounted for thirty per cent of her total score. She came in second in routine which accounted for the other seventy per cent.

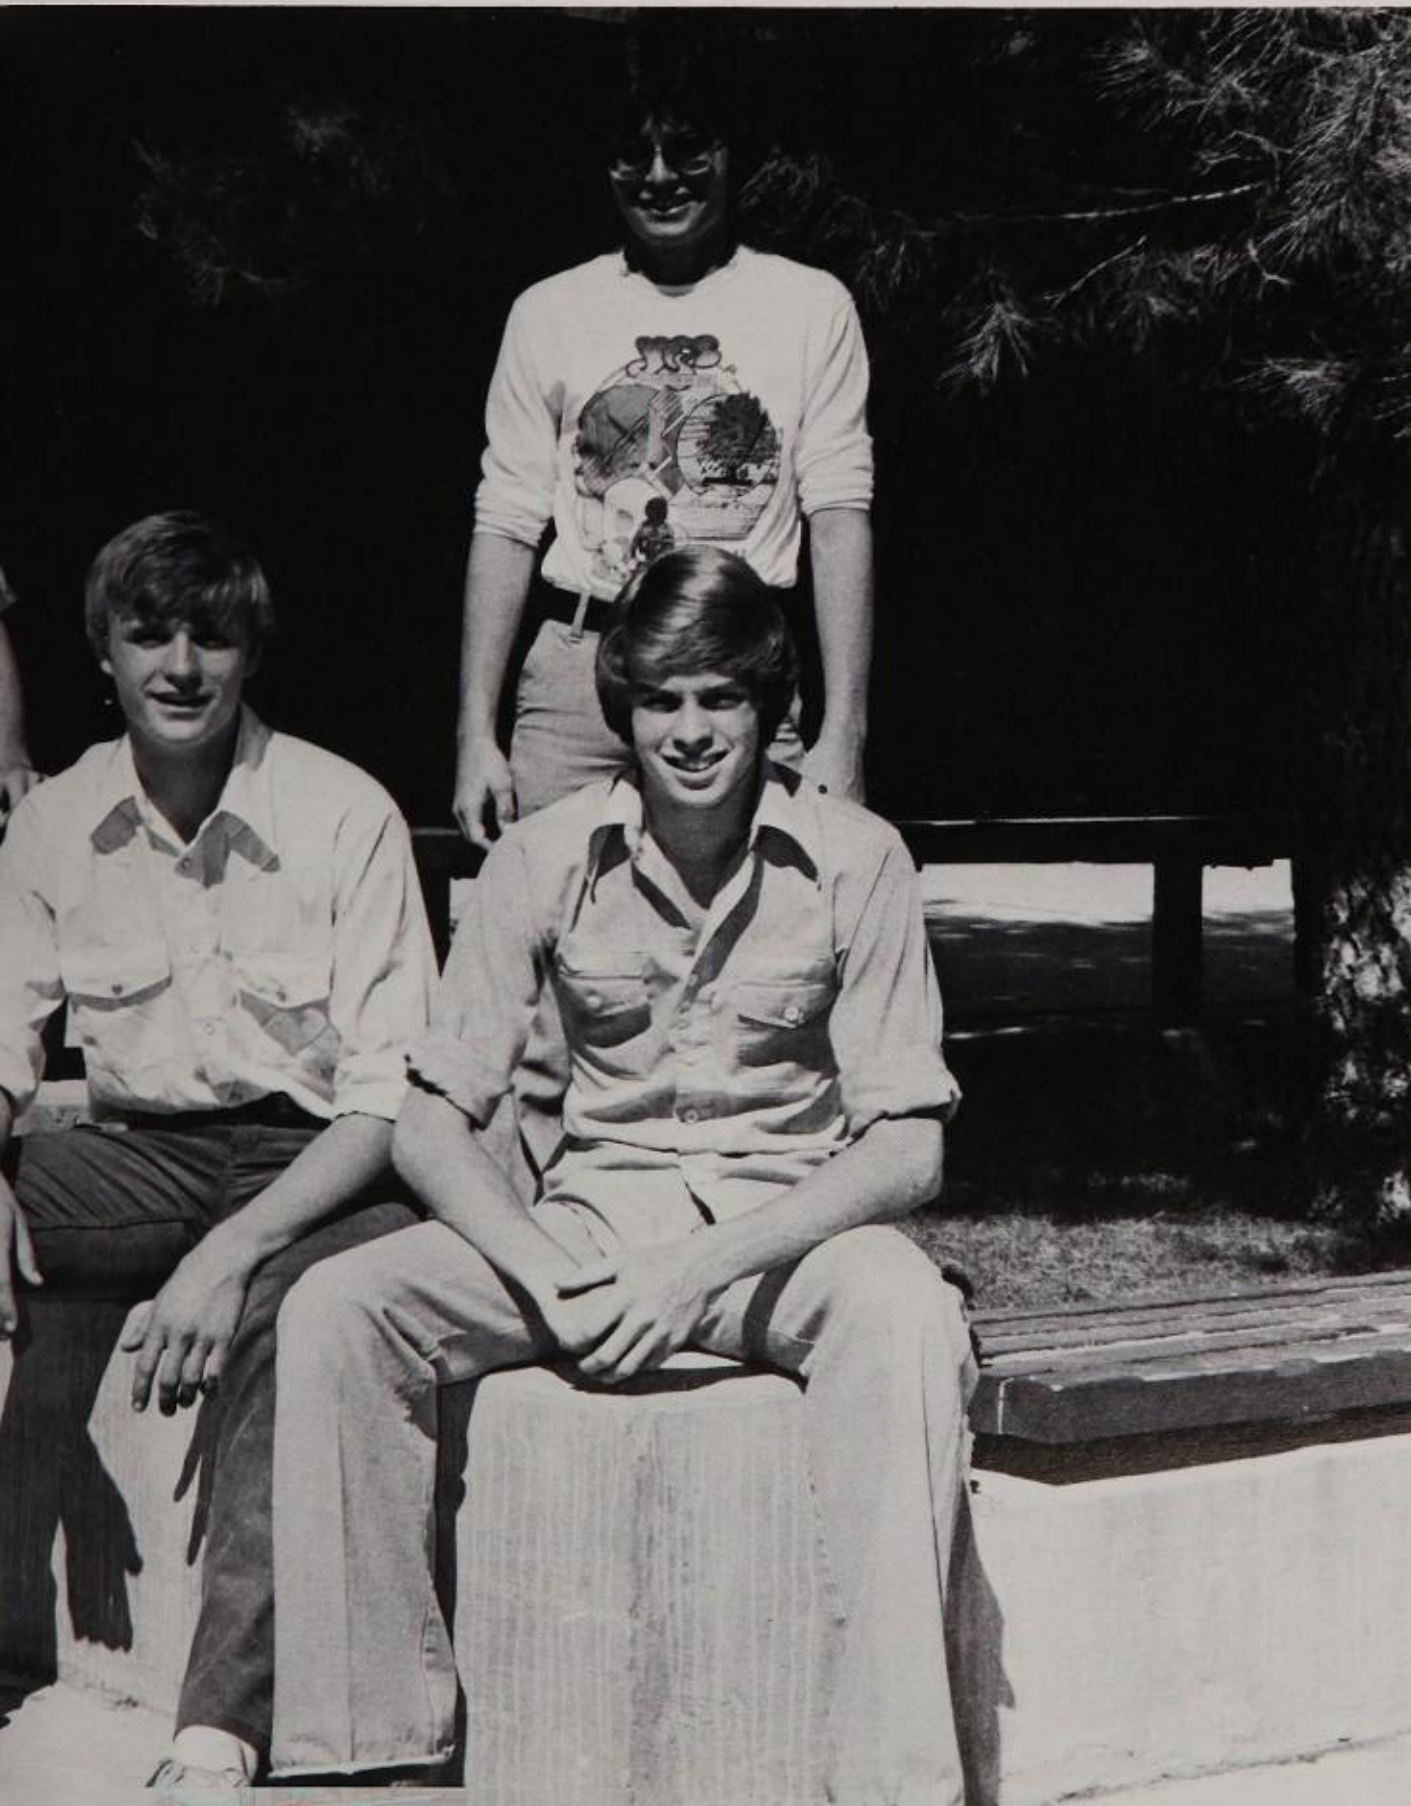

Kathy has been a drill team member for three years, and she was co-captain her Junior year. She is also a member of the Honor Society and graduated with honors as a 4.0 student and class Valedictorian.

Chaparral boasts four National Merit semi finalists

Curtis Trimble, Barton Foutz, Ken Hall and Doug Ulmer were all National Merit semi finalists. In order to obtain that honor, all four students had to score in the top one per cent nationally of the PSAT test. Results were not available as the Yearbook went to press, but those students who win will receive a full scholarship to a College or University of their choice. Barton and Doug are also candidates for the Presidential Scholars program. If they are chosen, they will be going to Washington D.C.

Steven Swapp, a Sophomore that is not pictured, won the Hugh O'Brien leadership award. He was the only student in Nevada to win this award. He attended a seminar in April in New York City.

Sidekicks: a Chaparral pal.

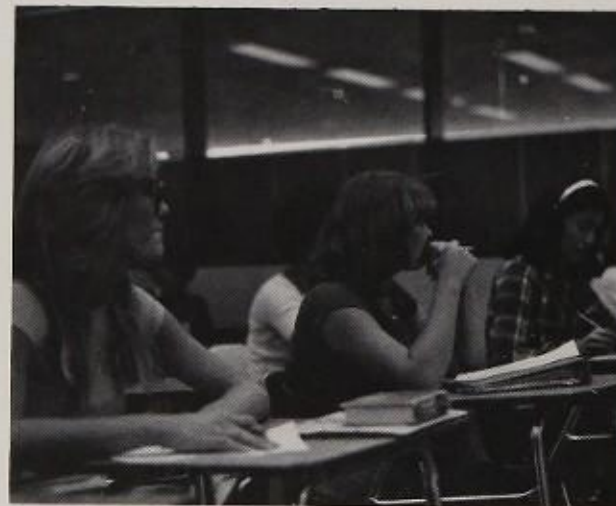

The Chaparral Sidekicks are also known as the Human Relations club. This year and last year the Sidekicks have been the most active club of its type in Las Vegas. Each year the club has two annual picnics, all sorts of sales, and a cookie bake for the convalescent home. They also attended the Clark County School district Forum in which they discussed the abuse of drugs and whether women should be able to compete in men's sport. The club's president planned on having a balloon sale, along with a Human Relations field day, and a Magic Mountain trip including Rancho and Clark High School's Human Relations club.

Business is their future

The Future Business Leaders of America is the largest club at Chaparral with approximately 80 members. Last year the state convention was held during April here in Las Vegas at the Showboat hotel where all school FBLA's compete against each other. Robert Smith placed first in business law and seventh for the nationals in Denver, Colorado during July. Leslie Price placed first in public speaking for state and was in the top 15 for the nationals. This year, the state convention was held in Reno during April and the nationals were in San Francisco during July. Mary Crane was chosen as state vice-president.

This was the first time for FBLA to have a big brother and sister program at UNLV. FBLA members interested in UNLV have the opportunity to have a junior or senior business student show them around the campus and answer questions.

FBLA was also in charge of tabulating all the walking sheets for the March of Dimes. The club was appreciative of Mrs. Ranney and Mr. Jacquot for all their support and help.

The Electronics Club designed and fabricated electronic projects. The members of the Electronic Club visited local television and radio stations throughout the year. Many of the past members are now earning a living in the field of electronics. Some of them are now affiliated with the National Horn Radio organization and also the American Radio Relay League. The advisor of the Electronics Club was Mr. Lytle.

The Art Shop

"The Art Shop" is the Chaparral High School art club. Thanks to this years members, they now have an organization functioning under a constitution with an official name and a full slate of officers: Main man: Raul Banda, Right hand man: Julie Bynum, Writer: Chris Heeter, Money man: Michelle Lopez.

Their first project for the year was the production of a 4'x4' Christmas card which they entered in the City of Las Vegas Christmas Party Competition. Chaparral's Art Club walked with the "most creative" entry ribbon.

The Art Shop was involved in school service projects, art education (personal, school, and community levels) and field trips of varying kinds.

The Art Shop was also involved in developing ideas to visually improve the school. This was their contribution to help Chaparral become more personable.

Debate Club; all their research paid off

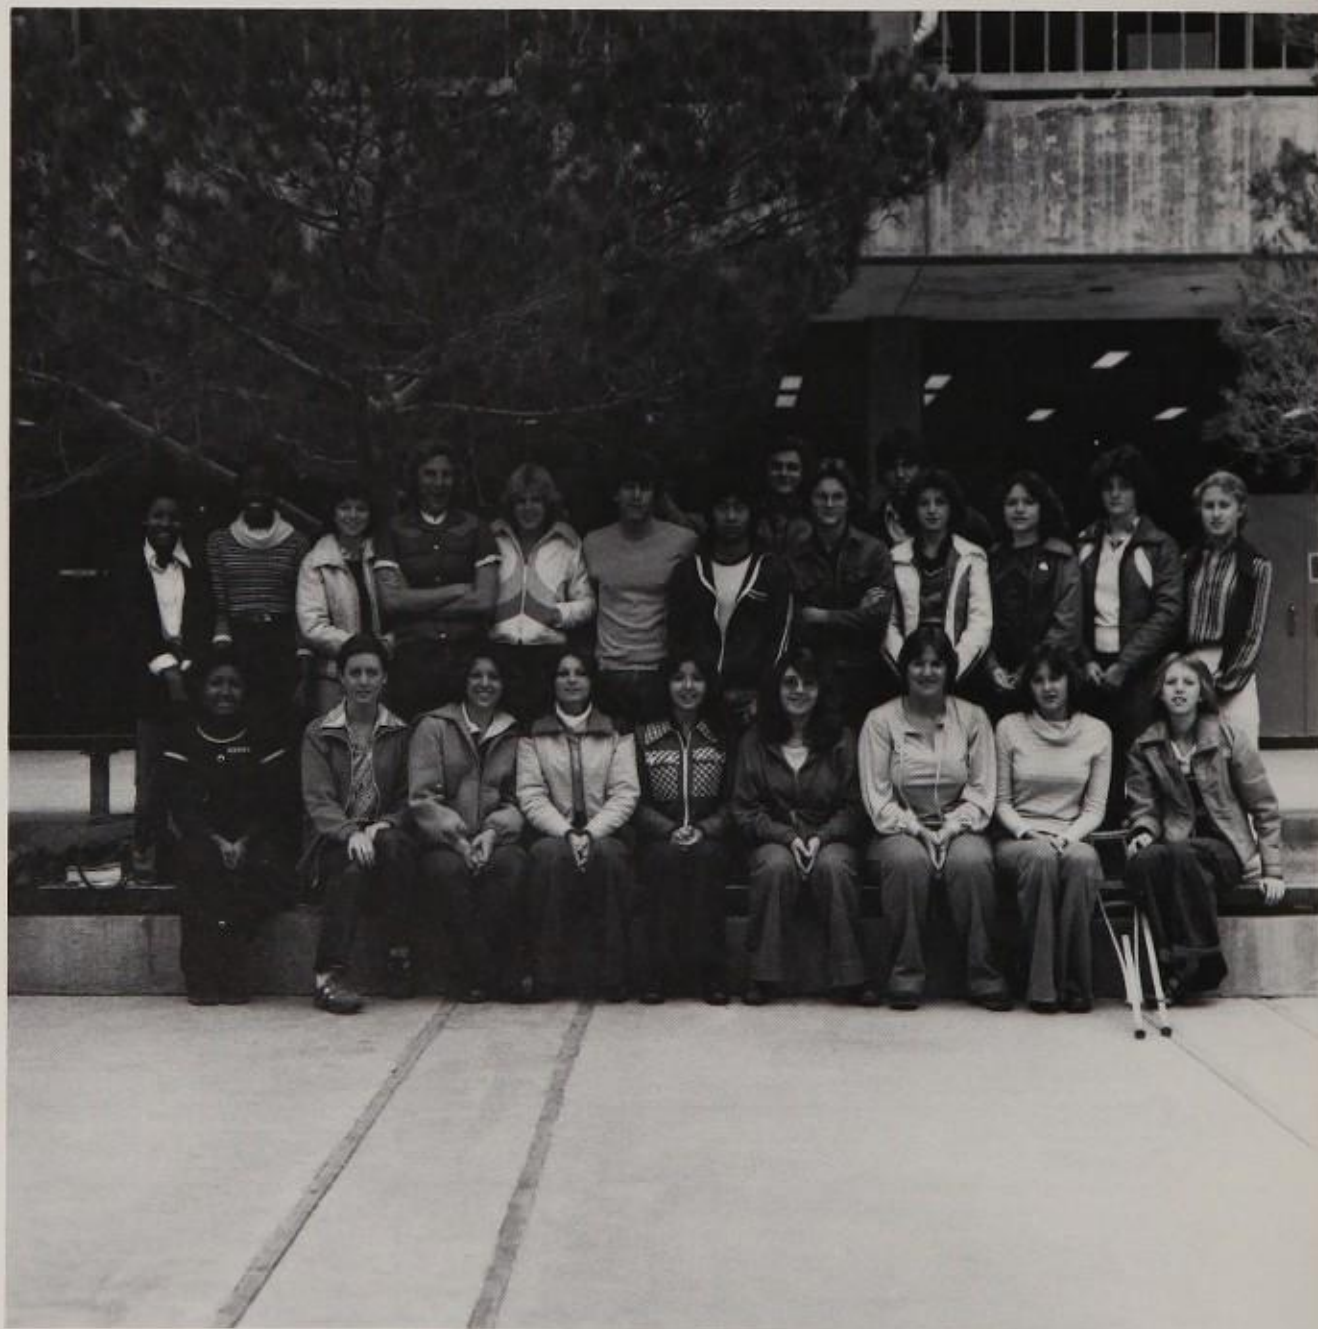

The Debate Club put forth many long hours of research for their speech competition this year. They competed in five local tournaments against other Clark County schools. They also competed in the V.F.W., Lions Club, and American Legion tournaments. The Debate Club entered two out of town tournaments which were held in Cedar City, Utah and Reno, Nevada. Mr. Schember, the new advisor of the Debate Club, has done an excellent job in his first year of coaching the team.

They'd rather be skiing!

The Ski Club has had a lot of trouble with their ski trips in the past few years. Last year there wasn't enough snow and this year there seemed to be too much. Their first scheduled trip to Mt. Holly was cancelled due to an avalanche. The Ski Club won't give up until they reach the slopes.

Ski Club: Front row, left to right; Nedra Duke, Kris Kempf, Shirley Quinn, Tracy Fleming, Sylvia Dorrall, Theresa Matoza, Kelly Finkley, Vicki Scavetta, Marci Bridges, second row; Maih Duke, Delona Tanner, Donna Brekke, Dean Lodewyke, Kathey Schettler, John Bowers (President), Curtis Sugita, Jack Spicer, Monica Longi (Vice President), Rocio Revollo, Theresa Longi, Dena Carpenter, third row, Scott Kuda, Mark Dalton.

Pep Club first in spirit

The Pep Club has really done a great job of promoting spirit this year. They sponsored several buses during football season. They also made good luck signs to decorate the school. In addition to promoting spirit, the Pep Club had many fund raising events such as bake sales and painting stripes and numbers on the parking lot. They also sold miniature black & orange cowboy hats for the state championship game.

Frisbee Club: Bottom row, left to right; Kirk Hendrick, Kevin Williams, second row; Mitch Wolf, Tom Garret, Tom Korth, David Cornbleth, Curtis Trimble, Mathew Marulla, third row; Mr. O'Neil, Mike Williams, Chuck Briesse, Allen Morrison, Danny Stubbs, and Darth Vader (Don Adamson).

Valedictorian candidates are 4.0s

Never before has CHS had as many valedictorian candidates. All candidates held a 4.0 grade point average after the sixth semester in high school. Jeff Cambell is undecided about his future but said he wouldn't mind being the lead guitarist for the "Eagles". Kathy Platt planned to attend Northern Arizona University and study physical therapy. She received a scholarship of 4,000 dollars from NAU. Rick Holt was thinking of attending a school in Washington and studying Pre-med. Laurie Scott planned on going into the Math field and was going to school some place in California. Barton Foutz hasn't decided between Dentistry and Pre-med. He received a 3,400 dollar scholarship. Don Adamson and Ken Hall are unsure of what school they would attend, but are sure they are going to college. Paul Hilton planned to attend BYU and received a Presidential Scholarship.

New sex, new ideas, new council!!!

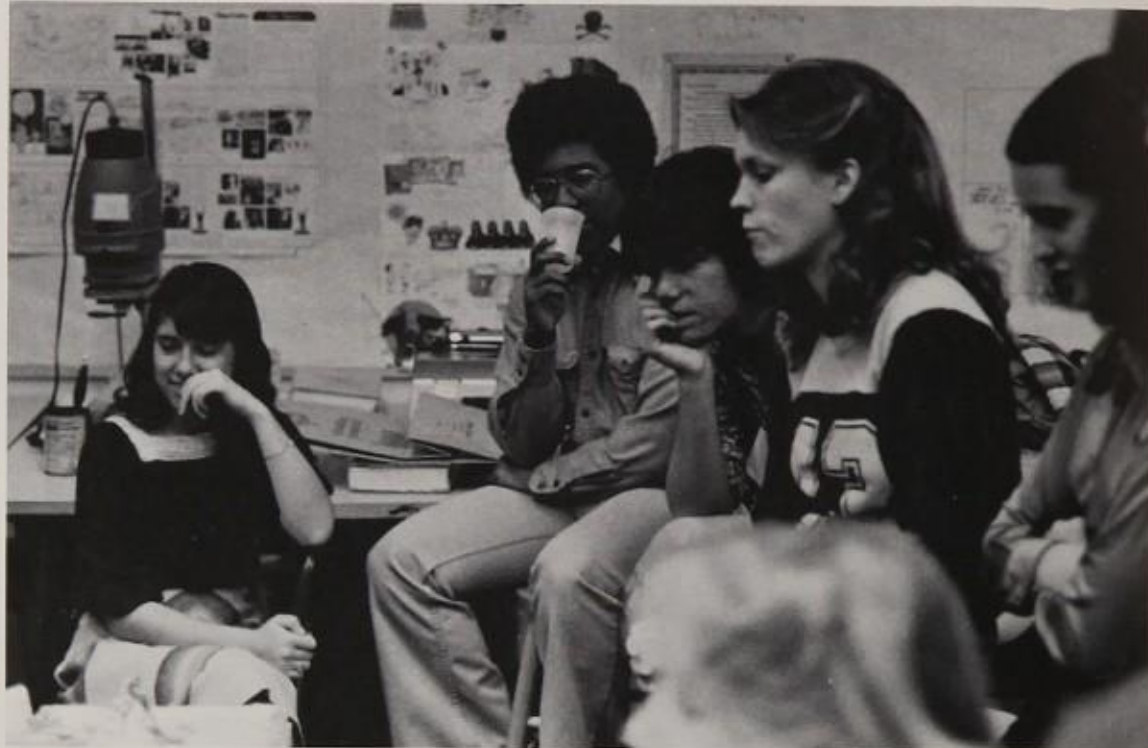

A first at Chaparral, for the first time at Chaparral an all female slate of officers have been elected: Lisa Frie, President, Teri Cox, Vice President, Diane Holiday, Treasurer, Marsha Sharp, Corresponding Secretary, and Sheila Mccellan, Recording Secretary. They have many plans for the upcoming 78-79 school year. They have already painted the student council office, and put a Yosemite Sam on the Cafeteria wall. The council plans to do as many activities as possible to raise school spirit and get students involved in the upcoming year.

The 1977-78 Yearbook staff had twelve outstanding seniors to guide the way. Margaret Steadman, Editor in Chief, has been on the staff for two years. She attended a yearbook clinic in Santa Barbra where she learned about other yearbooks and picked up some new ideas for Chaparral's yearbook. Tracy Thompson, performing arts Editor, was also a two year member. Lisa Groombridge, the staff's only three year member, was the business manager and kept busy keeping sales and expense records straight.

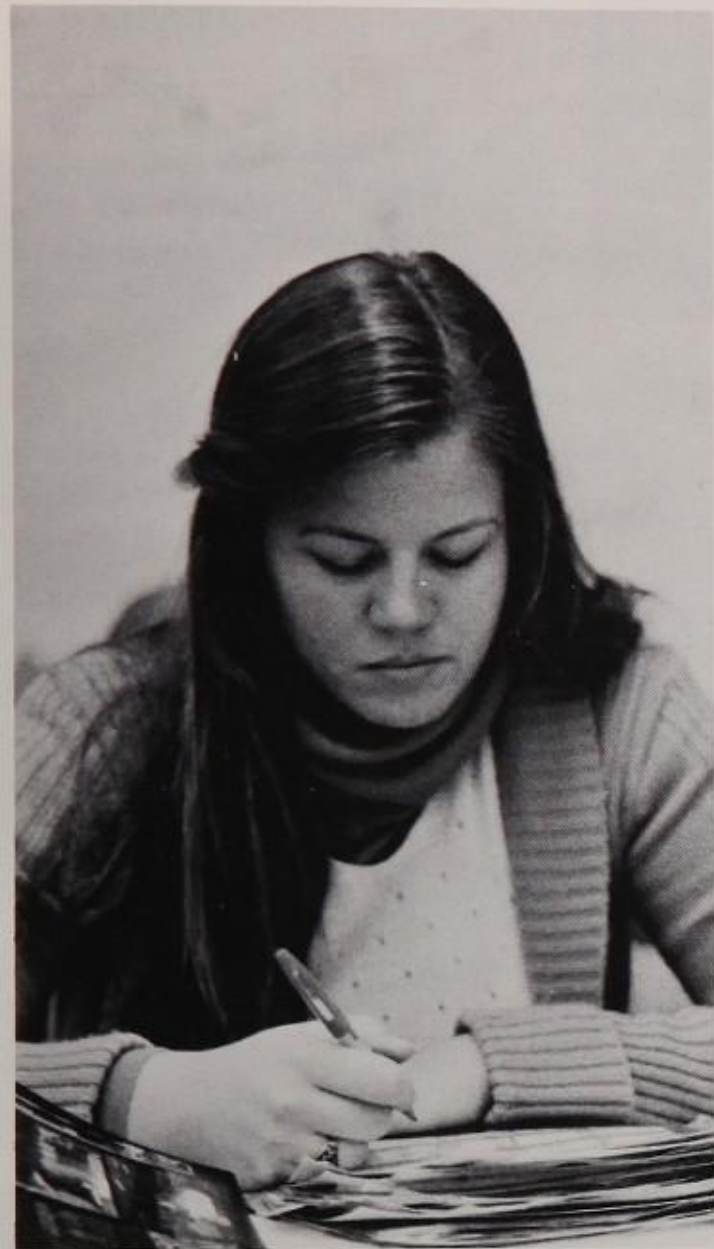

Amy Steigerwald and Diane Neill, both Soccer Bunnies, brought their special interests in sports to the Competitor pages. Chuck Briese's writing talents were utilized throughout the book. Not only did Chuck come up with many of the headlines and captions, but he also either wrote or coached other staff members through a majority of the copy. Lynn Ratzlaff patiently organized and recorded the index. Cheryl Cox and Gail Fitzgerald contributed their pep and spirit to the Performing Arts pages. Gail also worked in the darkroom. Jan Costello, Photo Editor, spent many lonely hours in the darkroom printing photos. She was assisted by Scott Simon, Gail, Ken Misch, and Mike Williams. Mike also worked on Performing arts and sports.

Yearbook . . .

Yearbook production began last summer when a small staff met to discuss advertising and some cover ideas. Margaret, Chuck and Jan all went to summer school in California where they learned some new yearbook concepts. In the fall, the whole staff was involved in underclass picture taking and early yearbook sales. During class time, many ideas about the theme and cover of the book were discussed. Students designed covers and mini yearbooks and presented their ideas. After several months of discussion, the idea of still lifes for the cover and division pages was decided on, the the theme, *Discover*, was determined. Many hard weeks of work followed with about 100 pages submitted per month starting in November. The last deadline was March 10. In the spring, the staff took time to learn more about the darkroom, and they also planned the yearbook party which was held late in May. The staff hoped to sell 2,000 books this year which would be a record sales.

Staff

Just think a minute about the people on these pages. They're not seen by the student body that often, but they are important. Without the library staff how would we do those book reports and research papers? Mr. Ueckert, a faculty member, and his staff have organized and maintained a complete library. Although their favorite word seemed to be Shhhl, they used it for a reason. After all people study in a library so they need it quiet.

The cafeteria at Chaparral is managed by Sylvia Oakden. She is helped by a staff of eleven full time workers, and some students that served during the lunch time rush. The staff provided students with breakfasts and hot lunches. During the winter they served hot chocolate while in the spring and fall lemonade was the specialty. These women started their cooking for lunch before school even started, and always provided hot food for Chaparral's student body.

The security guards this year roamed the halls looking for people without passes. They also guarded lunch lines and the smoking area. For extra money they were guards at most Chaparral home activities.

The custodians had a hard time keeping the school clean. The Cafeteria and smoking area were the hardest to clean. The staff had to work after school to clean the halls and classrooms. They were sometimes called to clean up after home or special activities.

The Chaparral secretaries worked as the right arm to the principals, deans and counselors. The secretaries aren't seen often by the students, but they, with the rest of the behind-the-scene staff, helped Chaparral run smoothly during the 1977-78 year.
